

Your local library at your fingertips! Borrow eBooks and eAudiobooks free!

We wanted to make parents aware of this fantastic **free** resource.

The Borrowbox service is available online from your local library. It is a wonderful way of reading online and there is a huge selection of books available for students and young people to download.

To access this, you do need to be a member of your local library. You can sign up to your local library online (you need to go into the library to pick up the membership card). Your membership card number is your library ID and your password/pin for Manchester libraries is the first 4 numbers of your date of birth. (eg.2806) This may be different in other library authorities.

If you are not a member of a library, then sign up using the links below.
