Developing the Reading Habit

Record each 15 minute block of reading that you complete. Once completed email a picture to Proud@chorltonhigh.org.uk

What have you been reading?

Make a list of the texts that you've been enjoying below...

Don't worry if you don't have a printer at home... simply collect the 40 signatures on a piece of paper and send us a picture with your name and form on there too.

Either get a parent or carer to sign for each 15 minute block, or give yourself a tick to confirm you've done it!

"That's the thing about books; they let you travel freely without moving your feet."
