

The resources below are **free** and easily accessible for students in their own home.

**WEBLINK - [Your Money Matters Textbook](#)**

(KS4/KS5, PSHE, Citizenship, Maths) – **The free PDF version of the textbook** contains a wealth of information, activities and top tips in relation to money and personal finance. Students could be directed to work through certain topics or chapters. There is an accompanying Teacher Guide if useful.

**WEBLINK - [Tenner Challenge](#)**

(KS3/KS4, Cross curricular) – We have adapted part of this popular national competition so that it can be completed by students **independently at home**. ‘Tenner from Home’ supports students to set up a project to research and plan a business opportunity that could be started with just £10. Note – teachers need to register themselves and students on the site.

**WEBLINK - [My Money Week Resources](#)**

(KS3/KS4, Cross curricular) – We have run My Money Week every year for the last 11 years. We have made all of the materials that have been developed over the last six years **available to download**.

**WEBLINK - [Maths Matters](#)**

(KS4, Maths) – This resource provides **activities and exam style questions** that follow the Maths GCSE curriculum but use money and finance as a context for learning.

**WEBLINK - [Leadership Competition](#)**

(KS4/KS5, Business and Economics) – We have teamed up with Telos Partners to offer a written entry competition based around ‘leadership’. Entries can be up to 2,000 words and the deadline for entry is **18th May 2020**.
