BEFORE SCHOOL - Are you READY to learn?

I will pack my bag the night before ensuring that I have my own pen, pencil, ruler, rubber, glue stick and calculator

I will prepare my correct uniform each evening before attending school

I will check whether I have PE. If I do, I will wear my kit for school

I will set my alarm. If I am late for school, I may not be able to enter the building due to the controlled start of the day for all year groups entering at different times.

There will be no lockers available in school so I must plan which books I need and prepare to carry them around with me. I need a strong bag.

I will ensure that I go to bed at a reasonable time and I understand the health benefits of a strong routine

I will bring a book to school in order to read during break and lunch

I will always BE KIND

WALKING TO AND FROM SCHOOL – When in my uniform I represent my school in the community

I will NOT walk down the road using my phone and become unaware of my surroundings.

I will make my way to school directly and avoid congregating in public places

I will always BE KIND and represent my school and community in a positive manner

If I use public transport, I will wear a mask as per Government guidance

I will socially distance at all times

I will walk sensibly and arrive at school before the morning bell

I will enter school through the gate I have been allocated

When I arrive I will line up before school in my year group area. I will line up sensibly, facing forwards and following social distancing guidelines

When I arrive at school I will silence my phone and put it into my bag until the end of the day.

I will remove my coat and headphones and store them safely in my bag.
