Social mobility charity Leadership Through Sport & Business is entering its seventh year of delivering a life-changing apprenticeship programme. We're looking for talented young people in Greater Manchester who need help to achieve their career aspirations in the finance sector, but who may not get that opportunity to shine.

Working with **Manchester City FC Foundation City in the Community** we develop young people personally and professionally by preparing you for the world of business and supporting you every step of the way as you begin your career.

What is included in the LTSB Programme?

- Six-month Pre-Apprenticeship training programme & AAT Level 2 Qualification.
- A host of employability skills sessions and exclusive experiences.
- Continuous help, support and guidance to achieve your goals.
- Level 3 Apprenticeships in Accountancy, Business Admin or other Finance roles.

Last year we placed our young people in firms such as **Grant Thornton, RSM, The Co-operative Bank** and many other high-profile businesses. This year **YOU** can take the first steps towards an amazing and rewarding career!
