

Friday 4th February 2022

Dear Parents and Carers,

We hope all our families are safe and well.

Thank you to all Year 9 parents who attended the virtual parents' evening.

At the bottom of this letter you will see a link to a survey about parents' evenings. Please can we ask **all** parents to complete this survey – this will assist the school in planning for future parents' evenings.

At Chorlton High School, we prioritise **mental fitness** for all our staff and students. This year, as in previous years, we have celebrated **Time to Talk day**. This took place yesterday, Thursday 3rd February 2022. We encouraged our students to consider mental health issues, working as a community to focus on it and not try and deal with things alone. As a school we have a clear process to support wellbeing and this can be found using the following link: <https://www.chorltonhigh.manchester.sch.uk/student-life/mental-fitness-at-chorlton-high-school>

We would like to remind parents that progress tests will take place early in Spring 2. Information about these will be sent home soon. Please use this to discuss the revision plan with your child. We are looking forward to working with our students on this very important subject over the course of next week.

We hope you have a good weekend.
