1. Introduction

- 1.1. Regular school attendance is essential if children are to achieve their full potential.
- 1.2. Chorlton High School believes that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.
- 1.3. Chorlton High School values all students. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties in a trauma-informed, inclusive manner.
- 1.4. Chorlton High School recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on admissions, safeguarding, anti-bullying, child protection, safeguarding and behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

2. Legal Framework

- 2.1. This policy meets the requirements of the “Working together to improve school attendance” guidance from the Department for Education (DfE) and refers to the DfE’s statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:
 - Part 6 of The Education Act 1996
 - Part 3 of The Education Act 2002
 - Part 7 of The Education and Inspections Act 2006
 - The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments).
 - The Education (Penalty Notices) (England) (Amendment) Regulations 2013
 - This policy also refers to the DfE’s guidance on the school census which explains the persistent absence threshold.
- 2.2. Legal proceedings are a statutory intervention used by the local authority against the parents of registered students who fail to attend regularly at school. Parents whose children are on a school register and fail to ensure the regular and punctual attendance of their child(ren), may be guilty of an offence under Section 444(1) or 444(1A) of the Education Act 1996 and the authority may take enforcement action through the courts to secure regular attendance.
- 2.3. Legal proceedings are not used as a punishment to parents for their student’s absence from school; they are a supportive measure intended to make parents realise the importance of attendance and to avoid further absence from school.

- 2.4. Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A prosecution can take place against any person who has parental responsibility for the child's education or who has care of the child. Parents have a legal duty to make sure that their children are properly educated. It is the parent's responsibility to ensure that their children attend school regularly and arrive on time. If you allow your child to be absent from school without good reason, the school will not authorise the absence, you may be committing an offence, and you could be issued with a penalty notice or prosecuted.
- 2.5. A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.
- 2.6. Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.
- 2.7. The Education (Pupil Registration) (England) Regulations 2013, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.
- 2.8. The register must record whether the student was:
 - present;
 - absent;
 - present at approved educational activity; or
 - unable to attend due to exceptional circumstances.

3. Safeguarding

- 3.1. Every student should be able learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly, and safe environment for all our students so they can learn and participate in all school activities in a relaxed and secure atmosphere.
- 3.2. Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents/carers. Safeguarding is about offering early help and support to children and families and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties within the family. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places a child at risk of harm.
- 3.3. Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses: Attendance, Behaviour Management, Health and Safety, Access to the Curriculum and Anti- bullying, protecting children from abuse and neglect, online safety, radicalisation, and extremism, FGM and CSE.

- 3.4. More information on safeguarding and the protection of children can be found in the school's Safeguarding and Child Protection Policy.
- 3.5. To allow us to safeguard the children in our care it is important that parents and carers provide the school with their current contact details and provide at least three other contact numbers in case of emergency.
- 3.6. It is also important for parents to inform the school of any specific vulnerability in relation to their child or home circumstances.

4. Categorising absence

- 4.1. Where students of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.
- 4.2. Absence can only be authorised by the headteacher/principal and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the student's absence has been received.
- 4.3. Parents must advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate.

Absence will be categorised as follows:

- 4.4. Illness Parents may be asked to provide medical evidence to allow the head teacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.
- 4.5. Medical/Dental Appointments Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, students must attend school for part of the day. Parents must show the appointment card to school.
- 4.6. Other Authorised Circumstances This relates to where there is cause for absence due to exceptional circumstances.
- 4.7. Excluded (No alternative provision made) Exclusion from attending school is counted as an authorised absence. The child's class teacher/form tutor/Head of Year will make arrangements for work to be sent home.
- 4.8. Religious Observance Chorlton High School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence.

4.9. Study Leave Study leave may be granted for Year 11 students approaching GCSE examinations. The school will offer in-school study programmes during this period to reduce absence levels.

4.10 Traveller Absence It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible.

- To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1996, section 444(6), states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e., 200 half days) in the year preceding the absence. This applies only when the family proves it is engaged in a trade or business that requires it to travel and when the child is attending school as regularly as that trade permits.
- When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.
- Chorlton High School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the student must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the student's school place at Chorlton High School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.
- Chorlton High School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:
 - advise of their forthcoming travelling patterns before they happen; and
 - inform the school regarding proposed return dates.
- Chorlton High School will authorise the absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.
- Traveller children will be recorded as attending an approved educational activity when:
 - The child is on roll and attending another visited school.
 - Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service.
 - The child is undertaking computer-based distance learning that is time evidenced.
- Where Traveller children are registered students at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any student and appropriate statutory action may be undertaken.

- 4.11 Late Arrival Registration begins at 08:30, students arriving after this time will be marked as present but arriving late. The register will close at 09:30, students arriving after the close of register will be recorded as late, (code U) this is not authorised and will count as an absence for that school session and statutory action may be taken where appropriate.
- 4.12 On arrival after the close of register, students must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.
- The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.
 - The absence will be recorded as unauthorised if the student has arrived late without justifiable cause.
- 4.13 Unauthorised absence - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the head teacher. Examples of unsatisfactory explanations include:
- A student's/family member's birthday.
 - Shopping for uniforms.
 - Having their hair cut.
 - Closure of a sibling's school for INSET (or other) purposes.
 - "Couldn't get up."
 - Illness where the child is considered well enough to attend school.
 - Family holidays.
- 4.14 Parents who need to take their child out of school during term time due to exceptional circumstances must send a written request to the head teacher. Retrospective requests will not be considered and therefore will result in the absence being categorised as **unauthorised**.
- 4.15 All requests for leave of absence will be responded to in writing outlining the conditions of leave granted.
- 4.16 If a student fails to return and contact with the parents has not been made or received, school may take the student off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.
- 4.17 If the permission to take leave is not granted and the parent takes their child out of school the absence will be **unauthorised**. In such cases the school may request the local authority issue a Penalty Notice or consider other legal sanctions including prosecution in the magistrate's court.

5 Deletions from the Register:

- 8.10 Ensure that all information shared will be done so in accordance with the Data Protection Act 1998.

9 Support Systems

- 9.1 The school recognises that poor attendance is often an indication of difficulties and trauma in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that

may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required. It is expected that the child and their family will work collaboratively with school to identify the anxiety-based school avoidance resources most appropriate for support and to accept the support that is offered or advised.

- 9.2 The school also recognises that some students are more likely to require additional support to attain good attendance, for example, those students with special educational needs, those with physical or mental health needs, migrant and refugee students and looked after children.
- 9.3 The school will implement a range of strategies to support improved attendance. Strategies used may include:
- Discussion with parents and students
 - Attendance panels
 - Parenting contracts
 - Attendance report cards
 - Referrals to support agencies
 - Learning mentors
 - Student Voice Activities
 - Friendship groups
 - PSHE
 - Anxiety-based attendance avoidance materials
 - Trauma-informed approaches
 - Early help referral options
 - Family learning
 - Reward systems
 - Time limited part time timetables
 - Additional learning support
 - Behaviour support
 - Inclusion resources
 - Reintegration support packages
- 9.4 Support offered to families will be child centred, trauma-informed and inclusive; planned in discussion and agreement with both parents and students.
- 9.5 If a student has an Education, Health and Care Plan the school will communicate with Manchester City Council EHCP Team at an early stage once they become aware of the barriers to attendance that relate to the child's needs.
- 9.6 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, Chorlton High School will consider the use of legal sanctions.

10 Intervention

School leaders will ensure that they:

- 10.1 Deliver interventions in a targeted way, in response to data or intelligence.
- 10.2 Monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address absence (register inspections, code analysis, cohort and group monitoring, punctuality, lesson attendance across subjects and benchmarking).
- 10.3 Use attendance, pastoral and SEND staff who are skilled in supporting students and their families to identify and overcome barriers to attendance.
- 10.4 Create action plans in partnership with families and other agencies that may be supporting families, for example, children's social care and early help services. Commission or deliver interventions to improve attendance.
- 10.5 Monitor the impact of any intervention, making adjustments if necessary and using findings to inform future strategy.
- 10.6 Where interventions fail to address attendance issues, identify the reasons why and, where appropriate, change or adjust the intervention.
- 10.7 Follow local authority codes of conduct, policies and procedures and make referrals for statutory intervention when interventions have not resulted in improved attendance and relevant triggers / thresholds are met.
- 10.8 Utilise accurate student level data to trigger school action as set out in the escalation of intervention below:

GOOD ATTENDANCE: (Attendance between 100% and 98%)

Wave 1 Intervention: Universal Offer
(Attendance 95% or Greater but LESS THAN 98%)

Wave 2 Intervention: Students who are AT RISK OF Persistent Absence
(Attendance LESS THAN 95%)

Wave 3 Intervention: Students who are persistently absent
(Attendance LESS THAN 90%)

11 Legal Interventions

- 11.1 Where intervention fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in the Magistrates' Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in

ensuring attendance at school and most importantly about returning children to education.

- 11.2 Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered student at a school and is of compulsory school age, then they are guilty of an offence.
- 11.3 A parent found guilty of this offence can be fined up to £2500 and or be imprisoned for a period of up to three months.
- 11.4 Alternatives to Section 444 prosecution are Parenting Contracts, Penalty Notices or an Education Supervision Order.
- 11.5 Parenting Contracts (Anti-Social Behaviour Act 2003) A Parenting contract is a voluntary agreement between school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.
- The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.
 - The contract can be used as evidence in a prosecution should parents fail to carry out agreed actions.
 - Parenting Contracts will be used in accordance with Manchester City Council's Parenting Contract Protocol.
- 11.6 Penalty Notices (Anti-Social Behaviour Act 2003) Penalty Notices will be considered when:
- A student is absent from school and the absence has not been authorised by the school
 - A student has accrued unauthorised absence without reasons provided and/or accepted as exceptional by the headteacher.
- 11.7 A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £120 fine is paid within 28 days, reduced to £60 if paid within 21 days of the date the Notice was issued.
- 11.8 Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.
- 11.9 Penalty Notices will be used in accordance with Manchester City Council's Penalty Notice Protocol.

Intervention – WAVE 2: Students who are AT RISK OF Persistent Absence (Attendance LESS THAN 95%)

School leaders will:

- establish robust escalation procedures which are initiated before absence becomes a problem, for example by:
 - sending letters to parents and carers
 - having a weekly tutor review
 - creating attendance clinics
 - engaging with local authority attendance teams and/or independent attendance organisations
 - using fixed penalty notices
 - engaging with children's social care staff, including Virtual School Heads and social workers where appropriate.
- establish a range of evidence-based interventions to address barriers to attendance
- monitor the implementation and quality of escalation procedures and intervention
- evaluate the impact of escalation procedures and seek robust evidence of the escalation procedures that work and that reflect the school context best
- attend or lead on attendance reviews and clinics in line with escalation procedures
- engage governors in attendance panels to reinforce messages and outline relevance in terms of training and employment
- ensure that each child within this wave has a clearly identified adult from within school to work with the student and their family to improve attendance

Attendance / Pastoral (and other relevant staff) will:

- provide regular attendance reports to tutors/relevant staff to facilitate weekly reviews with leaders (including special educational needs coordinators, designated safeguarding leads and student premium leads etc.) for monitoring and evaluation purposes
- initiate and oversee the administration of absence procedures. This could include:
 - letters home
 - attendance clinics
 - engagement with local authorities and other external agencies and partners

 - consideration if further interventions are required in line with the statutory guidance on [parental responsibility measures](#)
- provide regular reports to leaders on the at-risk cohort
- provide regular reports/caseloads to local authority attendance team or independent attendance organisations to raise awareness of emerging at-risk students

- Identify underlying home/school issues that may be causing the student's absence.
- Review the student's academic progress and make links to the student's attendance e.g. If you attended all your classes, you could achieve...
- Arrange for the student to catch up on work they have missed.
- Implement a Pastoral Support Plan or review other existing student plan to include support to improve attendance.
- Set an individual attendance target for the student using sessions rather than percentages that will see the student's attendance improve.
- Agree a review date.

- Following the review with the student, a letter will be sent to parents advising of concern and outlining the parents' responsibilities.
- If improvement has not occurred following this intervention, parents will be invited to a meeting where the possible outcomes will be:
 - All parties confident that issues have been resolved and the attendance will improve.
 - Parenting contract agreed.
 - Penalty Notice 15 school day monitoring period commences.
 - Agree a review date,
- Where parents fail to attend the meeting without a satisfactory reason and unauthorised absence has occurred, the penalty notice monitoring period will automatically commence.
- Where these interventions have already been implemented and have had unsatisfactory impact, the parent will be invited to an Attendance Panel where the possible outcomes will be:
 - Complete an Early Help Assessment leading to multi agency support.
 - Refer to the Local Authority to initiate legal proceedings.
 - An Attendance Support Plan will be drawn up to remove barriers, provide additional support and set targets. *(This could include lunchtime arrangements, support with uniform, transport, wake up routines or emotional wellbeing).*
- Where a parent fails to attend the Attendance Panel without providing a satisfactory reason, a minimum of two home visits with the purpose to engage with the parent will be carried out prior to referral to the Local Authority.

Teaching and classroom staff will:

- Welcome students back following an absence and provide good catch-up support to build confidence and bridge gaps. This could include:

Wave 3: Severely Absent students

Those students whose attendance is at 50% or below will be categorised as 'Severely absent' in line with new DfE guidance.

The full range of Wave 3 Interventions will be utilised to try and improve the attendance of these students and school will endeavour to forge strong working relationships with their parents/carers.

All schools will be expected to report to the Local Governing Body on a half-termly basis regarding the attendance of 'Severely Absent' students and the strategies that are in place to help them return successfully to full attendance.
