

The Beelong Scavenger Hunt: From Saturday 20th June

The challenge: Follow the clues below to find our Beelong posters..

You need to find 10 posters on your travels around Chorlton, Nell Lane and Whalley Range

For each rainbow located - take a picture with yourself in it.

Then collate the 10 images and either create a slide, a collage or just stick them on one sheet and email to us on beelongfestival@chorltonhigh.org.uk.

	Clue	Found it?
1. 1.	You finally managed to escape it, but return to find the bee. Oh, remember those Monday mornings, uniform on, ready for learning!	
2.	Not the one Trump lives in... Even in death it still looks cool - this glorified tree stump is close to school.	
3.	Surrounded by roads on 3 sides, this grass triangle is always busy on a summers day! If you get thirsty, there's a drinking trough nearby popular with horses and their riders.	
4.	At Christmas, the pavements outside this popular newsagents are filled with Christmas Trees. Unfortunately, the Christmas trees are a different species to the road this newsagents is found on.	
5.	Busy like a bee - stop at this hive for some tea.	
6.	Don't jump on the trampoline after it's been raining!	
7.	The only Superstore on Clarendon Road - opposite Manley Park.	
8.	Forget about email, I like sending real mail.	
9.	Our favourite school shop for those before and after school treats - or pop next door for some chips.	
10.	 Krispy Kreme? Yes please.	
11.	Be yourself unless you can be a ?? They say you are what you eat, then I guess I'm pink fluffy and dancing on rainbows!	
12.	Named after the historic gateway in the ancient city of Krakow, Poland.	
13.	Where the pencils have fallen...	
14.	Money, money, money - once four, now three.	
15.	We will never forget.	
16.	Their motto is BETTER, but I still can't swim!	
17.	A memorial to the father of computers.	
18.	Many of the buses passing through Chorlton stop here before carrying on or turning round. If you are peckish, pop across the road – there is food from across the world to choose from.
