## How to study throughout your Progress Tests:

	<b>Have a plan for your home study.</b> <ul style="list-style-type: none"> <li>Plan out when your progress tests are then, plan revision sessions into your timetable leading up to the tests.</li> <li>Plan what and where you will study Sessions should last 45 minutes.</li> <li>You should include all your subjects across the week</li> </ul>		<b>Utilise your online learning platforms.</b> <ul style="list-style-type: none"> <li>Use MS Teams to help plan out and organise your timetable and resources.</li> <li>Look for information and tasks set by your teacher.</li> <li>Use other online platforms recommended by your teacher to maximise your revision sessions</li> </ul>
	<b>Use mind maps to maximise your study.</b> <ul style="list-style-type: none"> <li>Mind maps are a useful way to map out big concepts and topic areas.</li> <li>Choose your topic area to revise and put this in the centre of your mind map. Then, add branches with each individual area that links to that topic.</li> <li>Use colour, words, and pictures to make it interactive</li> </ul>		<b>Use revision cards to maximise your study.</b> <ul style="list-style-type: none"> <li>Revision cards help in creating a summary of a topic area.</li> <li>Question &amp; answer cards are useful for learning and memorising specific information like key facts, and key words.</li> <li>Choose a topic you want to revise and either create a summary card or write 10 key questions.</li> </ul>
	<b>Evaluate your home study by self-testing.</b> <ul style="list-style-type: none"> <li>Test yourself to check if information is going into your memory.</li> <li>At the end of your revision session use; look, cover, write &amp; check, you could practice a question that you might be asked about the topic, quiz yourself on your mind map or revision cards.</li> <li>The next day, quiz yourself again using your mind map or cards to see what you have remembered. You could also work with your friends or someone at home by asking them to quiz you too!</li> </ul>

## Spring Progress Tests - Year 10 Home Study Strategy:

### Learn Online – GCSE Pod

GCSE Pod summarises key topics into 3-5 minute video pods for you to watch to recap content that has been covered in lessons that will be tested on your Progress Test.

By watching a GCSE Pod clip and making a revision card, creating a mind map, or answering practice questions through check and challenge quizzes you can prepare for assessments across a variety of subjects.

### Top Tips!

- ✓ **Know your log in information:**
  - **Username:** Your username is your @Prospere email address, the same as you log in to Teams/Office at home
  - **Password:** Your Passwords are set to: Chorlton2023
- ✓ **Mind Mapping** - Watch GCSEPod and write down all the key words. Now from memory, fill in as much information as you can remember.
- ✓ **Review Maps** - Cover your mind map and see how much you can remember. Highlight the information you couldn't remember and revise it.
- ✓ **Memory Cards** - On your own or with a friend, create your own question cards with answers on the reverse and then test each other's knowledge.
- ✓ **Past Papers** - Watch GCSEPod again and practice past paper questions.

### Past Papers

They are available from teachers, online and on GCSE Pod/SENECA. This will give you a better understanding of how to answer the exam questions on the actual day.

Past Papers

Practice

### Top Tips!

- ✓ Once you have tried answering the question try and mark it yourself using your notes. Then ask a teacher to mark it for you or use a mark scheme for the paper to self-assess.
- ✓ When a teacher has marked a past paper for you read their comments carefully – this can help you understand WHAT you need to learn or do differently next time.
- ✓ Sometimes try to do it as a 'timed' practice. This way you will get the feeling of being in the exam – and how well you manage your time.
- ✓ Remember the more practice you have – the better you get!
