### **Chorlton High School**

### **Spring Term Progress Test Information for Students**

For Year 10 Progress Tests students will be assessed on their learning from within the curriculum. Below is a list of some of the <u>key</u> focusses for students to use to structure their revision and study at home. Their class teachers will be able to guide them through specific aspects of the Year 10 Progress Tests taking place.

| Subject | What I need to know  | Key words I need to know  | Subject                              | What I need to know   | Key words I need to know   |
|---------|--|---|--------------------------------------|---|--|
| English | Lord of the Flies You will be asked to answer 10 recall questions which will test your knowledge on this text.  • Understanding of the plot, the characters, what they symbolise and their relationships with others.  • Understanding of complex themes such as loss of innocence, fear and human nature as well as key symbols such as the beast, the conch etc.  • Understanding of the context of the novel  • The function and effect of an allegorical novel.  • Understanding of the big ideas and messages within the novel. | <ul> <li>Democracy</li> <li>Microcosm</li> <li>Antithesis.</li> <li>Highlights</li> <li>Demonstrates</li> <li>Reinforces</li> <li>Mirrors</li> <li>Reveals</li> </ul> | Food<br>Preparation<br>and Nutrition | <ul> <li>Food Preparation Skills</li> <li>British and International Cuisine</li> <li>British and International Cuisine-Practical link</li> <li>The practice and logging of different skills</li> <li>Sensory Evaluation</li> <li>Food Safety and Preparing for assessment</li> <li>Microorganisms, Enzymes and Food Spoilage- knowledge retrieval</li> <li>Microorganisms used in food production practical link cheese making.</li> <li>Food Poisoning bacteria- knowledge retrieval and extension</li> <li>Macronutrients and Micronutrients</li> </ul> | <ul> <li>Organic</li> <li>Genetically Modified</li> <li>Hydroponics</li> <li>Intensive farming</li> <li>Crop rotation</li> <li>Fairtrade</li> <li>Homogenised</li> <li>Primary and</li> <li>Secondary processing</li> <li>Pasteurised</li> <li>Sterilised</li> <li>Evaporated</li> <li>Food Miles</li> <li>Carbon Footprint</li> <li>Food Waste</li> <li>Intensive</li> <li>Organic</li> </ul> |

|       | You will be asked to read a short extract and use that extract to answer a Language Paper 1 Question 1 (listing information) and a Language Paper 1 Question 2 (evaluation/arguing your point of view)  • Understanding of Language Paper 1 question 1 (listing information) and what the step-by-step approach is for answering this question.  • Understanding of Language Paper 1 question 4 (evaluation/arguing your point of view) and what the step-by-step approach is for answering this question. |   |        | <ul> <li>Energy differences and daily allowances</li> <li>Food provenance</li> <li>Milk &amp; Wheat processing</li> <li>Food Probes - Practical link</li> </ul>                           |  |
|-------|--|---|--------|---|--|
| Maths | Clips are available on Sparx. The Sparx code is in brackets.  Year 10 Foundation: 10Ma1 – 10Ma7 – 11  Types of numbers  HCF (U529) Ratio (U687, U577) Solving Equations (U775, U325, U599) Indices (U235, U694) Best Buys (U721) Forming Expressions (U105) Pythagoras' Theorem (U385) Tree Diagrams (U558, U729) Nth term (U530, U498)  | Key Terms are throughout your exercise books and should be used alongside the revision of these topics. | French | <ul> <li>Writing</li> <li>Describing a photo</li> <li>Translation</li> <li>90 word essay</li> <li>Present tense</li> <li>Perfect tense</li> <li>Near and simple future tenses.</li> </ul> | Vocab from key topics:  Theme 1.1 family  Theme 1.2 Technology  Theme 1.3 Free time activities  Theme 1.4 Customs and Festivals  Theme 2.1 home and Region |

## **CHS Year 10 Exams**

- Substitution (U201, U585, U144)
- Estimated Mean (U877)
- Trigonometry (U605, U283, U545)
- Standard form (U330, U534, U264, U290)
- Speed (U151)

Clips are available on Sparx. The Sparx code is in brackets.

#### **Year 10 Foundation:**

#### Year 10 Higher 10Ma1 - 10Ma6

- Prime Factors (U739)
- Angles in Parallel Lines (U826)
- Area Circles (U950)
- Estimate the Mean (U877)
- Speed (U151)
- Negative and Fractional Indices (U985, U772)
- Box Plots (U879, U837)
- Recurring Decimals (U689)
- Direct Proportion (U640)
- Negative Enlargement (U134)
- Venn Diagrams (U476)
- Simultaneous Equations (U760)
- Angles in Polygons (U427)
- Trigonometry (U283, U545)
- Compound Interest (U332)
- Factorise and Solve Quadratics (U228)

Key Terms are throughout your exercise books and should be used alongside the revision of these topics.

## **CHS Year 10 Exams**

### Enterprise and Marketing

- Purpose and Nature of Business
- Business Ownership
- Segmentation
- The Purpose and Methods of Market Research
- The Elements of the Marketing Mix: Price, Product, Promotion and Place (4Ps)
- Innovation, Risk-taking
- Communication
- Negotiation
- Determination
- Financial/Commerce
- Profit
- Retention
- Franchise

### **Sport Studies**

### **Suitable for Sport Studies Thinking Skills**

- Basic & advanced Strategies
- Basic & advanced Tactics
- Formations
- Components of Health related fitness
- Components of Skill-related fitness
- Positive & Negative impact of Media on Sport
- Different sources of media in sport

Activity/Sport specific terminology (dependent on activity sport covered)

- Antagonistic muscle pairs
- Dorsi-flexion
- Plantar-flexion
- Formation
- Set plays
- Commercialisation
- Gaseous exchange
