Summer Progress Tests - Year 7 Home Study Strategy:

Blurting

Blurting is a very simple activity.

It is about putting everything you can remember about a topic onto a sheet of paper. It doesn't matter about the order or structure of the information you Blurt.

Blurting is great for showing you what you know and helping to identify any gaps in knowledge.

Top Tips!

- ✓ You will need coloured pens and a big piece of paper.
- ✓ Get a blank sheet of paper and write down everything you can remember about the specific topic you have chosen to study.
- ✓ Check your Blurt -
 - Get a different colour pen. Use your exercise book and any other relevant resources to add any missing information to your Blurt....what you forgot.
 - If you got something wrong, take another colour and correct it – make a clear note
- ✓ Revise (using other study habit, such as flashcards) the things that you didn't have in your original Blurt.
- ✓ Repeat the activity, perhaps a week later. Hopefully you will remember more information about the topic!
