

MEET MINNIE

Where did Minnie come from?

Facts about Minnie

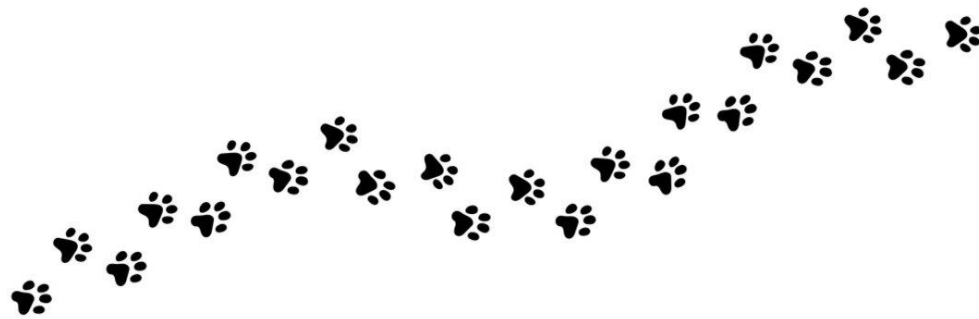

- Minnie was born in Ashbourne Animal Welfare with her sisters – Bramble and Willow
- She was called Bunty (but we didn't like that name!)
- Her birthday is the 4th March 2023
- She moved in with me and my family on Sunday 14th May, and has a big sister 'Coco' who many of you may have met when she came into school recently
- Minnie is a Toy Poodle

WHY A SCHOOL DOG?

Many reasons . . .

- You loved animals coming to visit . .
- Poodles are hypoallergenic so even if you are allergic she shouldn't bother you
- A dog should have a calming effect
- You can learn how to care for her
- Some of you can't have pets at home so you can share a pet at school
- Can help the teachers relax too
- And many more reasons

WHEN CAN WE
MEET HER?

What if we don't want to meet her?

- You don't have to!
- She will live in my office but will always be in a pen.
- If she walks around the school she will be on a lead.

Minnie will be popping into school this half term . . .

- But will only be in for short periods of time whilst she gets used to school.
- In September, she will be in more often 😊
- She will come and visit at Stanley Head, be in on Intake days, the Prom etc
- We've emailed home today regarding Minnie's initial visits to Christ Church Academy
