Each academy in your trust should also adapt it to include the details of the people responsible for attendance in their school and to reflect the needs of each individual academy and the specific barriers its pupils face (as identified through analysing school-level attendance data).

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The School Attendance (Pupil Registration) (England) Regulations 2024

- https://www.legislation.gov.uk/uksi/2006/1751/contentsThe Education (Penalty Notices) (England) (Amendment) Regulations 2013 and the 2024 amendment

It also refers to:

- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

This policy also complies with our trust's funding agreement and articles of association.

3. Roles and responsibilities

3.1 The local governing committee

The local governing committee is responsible for:

- Setting high expectations of school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
    - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authorities
    - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most, through termly attendance review meetings with each individual school
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance, including with teachers from across the trust, as part of the regular continued professional development offer, so that staff understand:
    - The importance of good attendance
    - That absence is almost always a symptom of wider issues
    - The school's legal requirements for keeping registers
    - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

- Sharing effective practice on attendance management and improvement across the trust and providing regular opportunities for staff from different schools to come together, learn from each other and share resources
- Holding the principals, headteachers and heads of school to account for the implementation of this policy
- Trust board only: Identifying and monitoring attendance patterns across the trust's schools to identify common issues and barriers, and share effective practice between schools

If you have a link governor for attendance, or a committee responsible for attendance, add details of their role in monitoring pupil attendance.

3.2 The principal/headteacher/head of school

The principal/headteacher/head of school is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary and/or authorising the local authority to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The trust attendance lead/CEO

The CEO is responsible for:

- Driving attendance improvement across the trust
- Working more intensively with schools who require support to improve attendance
- Acting as a central contact point for schools with attendance queries
- Liaising with the DfE's regional teams for advice about wider support programmes

The trust attendance lead is C Wright and can be contacted via c.wright@theket.uk.

3.4 The designated senior leader responsible for attendance (if applicable)

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance

- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families
- The designated senior leader responsible for attendance is [insert name] and can be contacted via [telephone number and/or email address].

3.5 The school attendance officer

The school attendance officer at each school is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and if applicable the headteacher/head of school
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/local authority (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is [insert name] and can be contacted via [telephone number and/or email address].

3.6 Class teachers/form tutors

All class teachers/form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office/via the MIS on the same day.

3.7 Office staff

Office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the head of year/pastoral lead where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before [time, e.g. 9am] on the day of the absence and each subsequent day of absence), and advise when they are expected to return

- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting [name/role, such as head of year, pastoral lead or family liaison officer], who can be contacted via [telephone number and/or email address]

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

Present

Attending an approved off-site educational activity

Absent

Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

The original entry

The amended entry

The reason for the amendment

The date on which the amendment was made

The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

Whether the absence is authorised or not (for pupils of compulsory school)

The nature of the activity, where a pupil is attending an approved educational activity

The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by [time], or as soon as practically possible, by calling the school office staff, who can be contacted via [telephone number and/or email address].

Add details of notification procedures for the school.

Parents should call the school office and give the reason for the absence. If necessary parents should leave a clear voice message stating their child's name and reason for absence.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Please contact the school office or visit the school website to obtain a 'Request for absence form'.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

Schools adapt this to reflect their own timetable.

The school day starts at [time] and ends at [time].

Pupils must arrive in school by [time] on each school day.

The register for the first session will be taken at [time] and will be kept open until [time – not longer than 30 minutes after the session begins, or the length of the form time or first lesson in which registration takes place]. The register for the second session will be taken at [time] and will be kept open until [time].

A pupil who arrives late:

Before the register has closed will be marked as late, using the appropriate code

After the register has closed will be marked as absent, using the appropriate code

Add details of how the school identifies and responds to ongoing punctuality issues

4.5 Following up unexplained absence

Schools add details of their own procedures day-to-day process for following up on absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact police.

Identify whether the absence is approved or not

Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent

Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

Where relevant, report the unexplained absence to the pupil's youth offending team officer

Where appropriate, offer support to the pupil and/or their parents to improve attendance

Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

Schools add details of their own reporting procedures to parents on their child's attendance record

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence levels via termly written reports. Attendance may also be viewed via the School App where this is present.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The principal/headteacher/head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The principal/headteacher/head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

Taking part in a regulated performance, or regulated employment abroad

Attending an interview

Study leave

A temporary, time-limited part-time timetable

Exceptional circumstances

A leave of absence is granted at the principal/headteacher/head of school's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as 'one off events which are unavoidable'. *Examples may include the death or attendance at the funeral of a close relative, respite care of a looked after child, a housing crisis which prevents attendance.*

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office or school website. The principal/headteacher/head of school may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart

Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be

travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school

Attending another school at which the pupil is also registered (dual registration)

Attending provision arranged by the local authority

Attending work experience

If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice. The school will provide relevant attendance data to the local authority.

Before issuing a penalty notice, the local authority will consider the individual case, including:

Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

Whether a penalty notice is the best available tool to improve attendance for that pupil

Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

Details of the pupil's attendance record and of the offences

The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996

Details of the support provided so far

Opportunities for further support, or to access previously provided support that was not engaged with

A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis

A clear timeframe of between 3 and 6 weeks for the improvement period

The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Schools add details of their own approaches – for example, celebrating good attendance in assemblies or on displays. If your school and/or local authority may offer parents an attendance contract, you should mention this here, including when it may be used, and how it works.

Schools will use a range of strategies to reward and improve attendance including but not exclusively: through assemblies, certificates and awards, displays. Additionally, a school may offer parents an attendance contract which is designed to support good attendance by all parties working collaboratively to set achievable goals.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Set out your approach towards pupils with complex barriers to attendance, including how you work with families and strategies for removing in-school barriers.

Schools will work with families to understand the context of complex situations. The involvement of specialist support and advice may be sought and a temporary attendance plan may be implemented with the aim to overcome the complex barriers to attendance. The use of an Education Welfare Officer or equivalent may be used to support good attendance and may include telephone calls, home visits and in-school support meetings.

7.2 Pupils absent due to mental or physical ill health or SEND

Set out your approach towards pupils absent from school due to mental or physical ill health or their SEND. Include how you work with families, adjustments the school may make, and the additional support you provide.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Set out your approach to supporting pupils back into school after a lengthy or unavoidable period of absence.

School leaders will work alongside parents and carers to reintegrate the pupil into school life. Actions may include familiarisation sessions, phased reintroduction to school, small group support lessons to address gaps in knowledge and skills due to lost learning time.

8. Attendance monitoring

Explain how your school monitors attendance and absence data (including punctuality data), and systematically and regularly analyses it. This includes identifying and monitoring patterns in attendance across schools in the trust.

School leaders monitor attendance and punctuality half-termly and report to local governors termly. Termly attendance figures are shared with the trust. Trends and patterns are identified within the school and across the trust.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing committee and trust board.

8.2 Analysing attendance

The school will:

Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance

Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using data to improve attendance

The school will:

Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)

Provide regular attendance reports to class teachers or form tutors, to facilitate discussions with pupils and families, and to the governing committee and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)

Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to school's strategy for improving attendance.

The school will:

Use attendance data to find patterns and trends of persistent and severe absence

Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education

Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:

- Discuss attendance and engagement at school
- Listen, and understand barriers to attendance
- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions

Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant

Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence

Implement sanctions, where necessary (see section 5.2, above)

Attendance across the trust is further supported by meetings with principals, headteachers and heads of school. A termly attendance report is submitted termly to the trust.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the CEO. At every review, the policy will be approved by the full board of directors following consultation with local governing committees.
