Dear Parent/Carer,

Coming soon: Online payments to school with ParentPay!

Starting on Monday 8th March 2021, we will be introducing a more convenient way to pay for school meals, and in time, other school items online, using a secure service called ParentPay.

Activation letters and emails giving details of how to set up your account will be issued to parents/carers during week commencing Monday 8th March 2021.

ParentPay will be live and being used for payment for School meals from Monday 15th March 2021; from this date we will be working towards no longer accepting cash and cheque payments, making the school a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.
