Dear Parents and Carers,

Thank you for your continued support in ensuring students attend school regularly, arrive on time, wear the correct uniform, and come fully equipped and ready for learning each day. Your partnership makes a significant difference to the positive culture and high standards within our school community.

The vast majority of our students consistently meet these expectations, and we are grateful for the encouragement and support you provide at home.

However, a small number of students are not consistently complying with these expectations. In order to maintain high standards and ensure the best possible learning environment for all students, additional sanctions and interventions will now be implemented where necessary.

These measures are intended to support improvement, promote consistency, and uphold the standards that benefit the wider school community. If you have any queries, please do not hesitate to contact your child's Head of Year.

Yours sincerely
