- 2) Pride ourselves on early identification and intervention for SEND to ensure that progress and opportunities are maximised
- 3) Provide an accessible learning environment which is tailored to the individual needs of all pupils

- 5) Regularly monitor the progress of children with SEND, using a child-centred approach and taking into account environmental factors and the learning environment they experience in school
- 6) Provide good quality and relevant training for all staff members supporting children with SEND
- 7) Work in partnership with parents and carers
- 8) Work closely with external agencies and other professionals to hone and develop our provision for children with SEND.
