Summer Term - 2021/2022 Progress Test - Preparation for Students

HOW TO USE THIS DOCUMENT

Look at the information below and use it to prepare for your Progress Test. Your teachers have given you a list of topics to revise and study and suggested where you can go to search for that information.

Remember: In your class teams on MS Teams you can find all of your lessons in the Home Study tab. This will also help you prepare. There might also be additional revision materials there for you also.

YEAR 7	Progress Tests Format <ul style="list-style-type: none"> • Duration • Format for test • Available Marks 	Key revision topics for students <i>What do students need to learn to be ready for this Progress Test?</i>	Sources of information for home study (Above and beyond Microsoft Teams) <i>Where can students find access to information to help them prepare for their progress test?</i>
