

Computing & Technology

The areas of development are:	Solutions
Ct	
COMPUTING	COMPUTING
<ul style="list-style-type: none"> • using Microsoft office products such as a Word and One Drive effectively online 	<ul style="list-style-type: none"> • BBC Bitesize website: Software Applications
<ul style="list-style-type: none"> • understanding what a model is, and how models are used in the real world 	<ul style="list-style-type: none"> • BBC Bitesize website: Modelling and Simulation
<ul style="list-style-type: none"> • understanding the difference between fixed and variable costs, and how to calculate profit 	<ul style="list-style-type: none"> • BBC Bitesize website: Revenue, Cost and Profit
<ul style="list-style-type: none"> • formatting in Microsoft Excel 	<ul style="list-style-type: none"> • BBC Bitesize website: Modelling with Spreadsheets • Teach ICT: Spreadsheets
<ul style="list-style-type: none"> • using basic formulae in Microsoft Excel 	<ul style="list-style-type: none"> • BBC Bitesize website: Modelling with Spreadsheets • Teach ICT: Spreadsheets
<ul style="list-style-type: none"> • using formatting and graphs to identify trends and patterns in spreadsheet data 	<ul style="list-style-type: none"> • BBC Bitesize website: Modelling with Spreadsheets • Teach ICT: Spreadsheets
<ul style="list-style-type: none"> • following instructions to lay out a Microsoft Excel spreadsheet according to the client brief 	<ul style="list-style-type: none"> • BBC Bitesize website: Modelling with Spreadsheets • Teach ICT: Spreadsheets
<ul style="list-style-type: none"> • understanding the importance of digital safety, and how to keep safe online 	<ul style="list-style-type: none"> • BBC Bitesize website: eSafety • Teach ICT: Spreadsheets
FOOD TECHNOLOGY	FOOD TECHNOLOGY
<ul style="list-style-type: none"> • Conduct research into variety of cuisines 	<ul style="list-style-type: none"> • Use the internet to conduct research. • Use TEAMS resources
<ul style="list-style-type: none"> • Develop a menu for your chosen cuisine 	<ul style="list-style-type: none"> • Follow the link to the blog to find out more information
<ul style="list-style-type: none"> • Using PowerPoint to create your presentation 	<ul style="list-style-type: none"> • BBC Bitesize – how to give a presentation.
<ul style="list-style-type: none"> • Develop an interesting and engaging presentation 	<ul style="list-style-type: none"> • Follow the link to the blog to find out more information

<ul style="list-style-type: none"> Using colour theory to develop branding for your pop up 	<ul style="list-style-type: none"> BBC Bitesize – Marketing strategies BBC Bitesize – Colour theory
<ul style="list-style-type: none"> Understand the importance of logo and branding when marketing your pop-up shop. 	<ul style="list-style-type: none"> Use resources on TEAMS.
<ul style="list-style-type: none"> Understand what colour theory is 	<ul style="list-style-type: none"> BBC Bitesize – Colour theory
DESIGN AND TECHNOLOGY	DESIGN AND TECHNOLOGY
<ul style="list-style-type: none"> investigate careers and job roles within the creative sector 	<ul style="list-style-type: none"> further information and support can be found on BBC Bitesize website jobs that use Design and Technology
<ul style="list-style-type: none"> confidently using key design and technology terminology both orally and in their written work 	<ul style="list-style-type: none"> further information and support can be found by reading the specific pages in the AQA GCSE Design and Technology Specification (Subject specific vocabulary)
<ul style="list-style-type: none"> demonstrating as well as applying knowledge and understanding of the impact of the work of others (designers and manufacturers) 	<ul style="list-style-type: none"> further information and support can be found on BBC Bitesize website AQA GCSE Design & Technology (using the specialist technical principals area)
<ul style="list-style-type: none"> demonstrating skills in designing, such as sketching, shading and rendering designs 	<ul style="list-style-type: none"> further information and support can be found on Technology Student website (using Graphics area)
<ul style="list-style-type: none"> demonstrating skills in designing, such as complete annotations and describing ideas produced, being able to link them back to a design brief and specification 	<ul style="list-style-type: none"> further information and support can be found on BBC Bitesize website AQA GCSE Design & Technology (using the specialist technical principals area)
<ul style="list-style-type: none"> demonstrating skills in evaluating, such as being able to reflect critically on work produced and identify areas for development 	<ul style="list-style-type: none"> further information and support can be found on BBC Bitesize website AQA GCSE Design & Technology (using the specialist technical principals area)
<ul style="list-style-type: none"> demonstrating skills in evaluating, such as being able to reflect and make a link back to a design brief and specification 	<ul style="list-style-type: none"> further information and support can be found on BBC Bitesize website AQA GCSE Design & Technology (using the specialist technical principals area)
<ul style="list-style-type: none"> demonstrating technical drawing skills when producing designs 	<ul style="list-style-type: none"> further information and support can be found on Technology Student website (using Graphics area- isometric projection)
<ul style="list-style-type: none"> demonstrating as well as applying knowledge and understanding of designing and making principles; specifically investigation/research of primary and secondary data regarding fragrance branding 	<ul style="list-style-type: none"> further information and support can be found on Technology https://technologystudent.com/prddes1/perfpk2.html)
<ul style="list-style-type: none"> demonstrate skills in manufacturing a high quality net for a fragrance brand 	<ul style="list-style-type: none"> further information and support can be found on Technology https://technologystudent.com/despro_flash/graphics_dev1.html
<ul style="list-style-type: none"> demonstrate skills in using ACCESS FM to carry out a product analysis regarding fragrance packaging 	<ul style="list-style-type: none"> further information and support can be found on Technology https://technologystudent.com/prddes1/perfpk2.html
