1. Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms CHS South High School's compliance with JCQ's *General Regulations for Approved Centres 2021-2022, section 5.7* that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and "before submitting marks to the awarding body inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking".

Certain components of GCSE qualifications (GCSE controlled assessments & GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

2. Submission Deadlines

Internal submission deadlines will fall one week prior to the Awarding Body deadlines. CHS South High School will ensure that candidates receive their marks at least 2 weeks prior to the school's internal submission deadline.

3. Marking of Non-Examination Assessment

CHS South High School ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments, including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow.

CHS South High School is committed to ensuring that, whenever its staff mark candidates' work, this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. CHS South High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the marking standards to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

4. The Internal Appeals Process

- 4.1 Candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
- 4.2 There will be an opportunity for the candidate to discuss their marks with their subject teacher before the internal submission deadline.
- 4.3 Candidates may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.
- 4.4 CHS South High School will, having received a request for copies of materials, promptly make them available to the candidate within **5 working days**.
- 4.5 Requests for reviews of marking **must** be made in writing within **5 working days** of receiving copies of the requested materials by completing the Internal Appeals Form at the end of this policy and handing to the Exams Manager for processing.
- 4.6 CHS South High School will allow, **5 working days** for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome. Candidate marks will not be submitted to the awarding body until this process is complete.
- 4.7 Any requests made later than 3 days before the schools' internal submission deadline will not be processed.
- 4.8 The review of marking will be conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
- 4.9 The reviewer will ensure that the candidate's mark is consistent with the standard set by the centre.
- 4.10 The candidate will be informed in writing of the outcome of the review of the centre's marking.
- 4.11 The outcome of any review of marking will be made known to the head of centre and will be logged as a complaint. A record will be kept and made available to the awarding body upon request. Should the review highlight any irregularity in procedures, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of CHS South High School and is not covered by this policy.
