

## A Level Art and Design

For additional information please contact or visit:

Mrs Helen Garner, Head of Department:

[hgarner@churchmead.org](mailto:hgarner@churchmead.org)

Exam Board: AQA  
Specification Number: 7202

### Entry Requirements:

You need to get a minimum grade 5 in Art and English GCSE

### Why study Art and Design:

In the wider world of work, employers want to see independency, creativity, visual skills and the ability to adapt and change. Within A level art and design you will explore and enhance all of these aspects of yourselves and more. It is an independently creative course with the ability to explore and investigate themes and meanings that are important to you but also help shape and move viewpoints of others.

### Course requirements:

The AQA Art and Design program will be assessed by completing two components. Students studying this course are expected to have achieved a Grade 5 in Art and English language at GCSE.

<b>Component 1</b>	<ul style="list-style-type: none"><li>• Students are required to conduct a visual practical investigation, into an idea, issue, concept or theme, supported by written material.</li><li>• 60% of A Level</li></ul>
<b>Component 2</b>	<ul style="list-style-type: none"><li>• Externally set assignment- Using a provided starting point, student then produce a further investigation within a time limit followed by a 15-hour supervised timed exam.</li><li>• 40% of A Level</li></ul>

# CHURCHMEAD SCHOOL

BELIEVE TO ACHIEVE

The most important element is to practise drawing, painting and any other form of creative medium you enjoy. You can also research into different artists and art movements to enhance further understanding of the art world. Visiting art galleries and museums is also a good way to prepare and explore creative ideas before starting the course.

## What could I do next with an Art & Design A Level?

In the future you are going to have to be a creative independent thinker. The range of career options that are benefitted by this A Level are endless, as the people and presentation skills that are developed can be applied to a plethora of professional avenues.

There are a number of courses and careers directly related to the subject such as advertisement, Illustration, Graphic designer, interior designer, an artist, set design, curator, teacher, professor, concept artist, Architect, landscape designer, set designer, numerous jobs in fashion plus many more creative job opportunities.
