OUR VALUES OF COURAGE, COMPASSION, COMMITMENT IS BASED ON THE TRINITY OF GOD AND CELEBRATE “LIFE IN ALL ITS FULLNESS” JOHN 10:10.

Churchmead School continues to be committed to providing a safe and caring learning environment, founded on Christian principles of respect for each other and the environment, as pupils move onto or join our Sixth Form.

The school is committed to providing an excellent standard of education for all students, allowing each individual to achieve their full potential. Our Christian vision has been developed from our bible verse, 'Life in all its Fullness' John 10:10. The continued development of our vision, is to fit the needs of the local community and wider world.

Life in all its Fullness is the principle that underpins our work with our students, to support them to grow and develop into young adults and encourage them to take up new opportunities.

Churchmead Sixth Form, is also committed to ensuring that the school sits at the heart of the local community, providing support both for young people and their families, so that they have the best start in post 16 education and access to the help and services that they need to thrive.

The work of the school involves consultation and collaboration with students and their parents/carers . This is in partnership with staff, governors and other providers. To ensure that we remain true to our Christian ethos, we continue to be committed to meeting the needs of our community, by placing our students at the centre of our work.

LIFE IN OUR SIXTH FORM

Life in the Sixth Form marks a change for all students. They have to learn to work more independently and to make good use of independent study time. Teaching groups are smaller. It is essential to have a good working relationship with staff, and to seek help and guidance from them.

“Our Sixth Form gives us the tools to express our individuality and excel academically, in a safe and nurturing environment”

What is the ‘Life in all its Fullness’ Award?

This is a special award, which Sixth Form students can apply for, at the end of Year 12. In order to be successful in your application, you must demonstrate the six qualities that go beyond the normal commitments of being a student. Students must also be able to demonstrate the highest standards of commitment to their courses, through excellent levels of attendance and punctuality.

Achieving the Award demonstrates your dedication in going the extra mile and making you stand out from the crowd. It will also support your applications to universities, training providers and employers. Working towards your successful application will help you develop as a person in terms of self-confidence, personal drive and initiative. This award will be taken into account when we are appointing our Sixth Form Student Leadership Team. If you achieve the Life in all its Fullness Award, you will be invited to the Prize Giving Evening in Year 13, when you will receive a special award.
