

CHURCHMEAD SCHOOL

December Newsletter

Message from the Headteacher

Dear Parents and Carers

The theme of compassion has been lived out by our students throughout this Advent season, with students leading on a number of projects, charity work, and school performances. Our school production, A Churchmead Christmas Carol, was an amazing performance, and it was great to see so many parents supporting both evenings. Earlier this term, Churchmead won first place in the Enterprise competition for secondary schools in Slough and Windsor. Another great achievement!

The year 11 revision programme is going well, with extra support in English, math, and science after school. This is well attended, and the students and parents have given feedback on how much they have appreciated the extra support. This will continue after Christmas, and I do need to remind Year 11 to spend time on their revision over the Christmas break.

Our sixth-grade students are fully embracing the opportunities as they work towards their lives in all their fullness, which promotes leadership and personal development.

Thank you for your continued support for Churchmead School.

May I take this opportunity to wish you a happy Christmas and a restful break.

Chris Tomes
Headteacher

Children in Need and Odd Socks Day

Our school council ran a bake sale in aid of Children in Need. In addition, we held sporting activities to win prizes.

We also held Odd Socks day as part of Anti Bullying Week.

Year 8 Heathrow Stem Challenge

Year 8 were involved in the Heathrow STEM Challenge organised by @LearningToWork and led by their Head of Year Ms Spencer. Each group had to work together to build a moveable car as part of a team challenge. Fantastic effort and engagement from all!

Sixth Form Open Evening

Thank you to all parents and students who supported our Sixth Form Open Evening. It was a great success, and we are excited about the courses we are offering our students.

Year 10 Orange Enterprise Day

Year 10 won the challenge overall at the Orange Enterprise Day, with a fantastic pitch which involved adapting our locks along the River Thames to 'catch' plastic pollution, to combat the wider goal of ocean pollution and climate change.

Remembrance Day

Thank you to our community and our students who gathered to remember.

A Level Drama Puppetry Workshop

Huge thanks to Chase who came in to give the A level Drama students a workshop about puppetry. The students, (and teachers), had a great time learning different techniques and trying out different types of puppets!

Churchmead's Christmas Carol

Our students took to the stage to perform Churchmead's Christmas Carol.

Both nights were absolutely incredible and showcased an array of talent from acting, singing, dancing and prop design.

It was wonderful to have so many of our community there to support the students and huge thanks to the Performing Arts department and the PTA.
