

Review and improve

Due March 23, 2020 11:59 PM

Instructions

Yr 10

Make sure all slide are up to date and are in correct order.

Work on improving artist's research – some information on the artist's background. A lot of information on the photographs they take and how it relates to the theme.

Work on improving annotations - include more key words

- I have uploaded some information that will help you in files on Teams. Use this for guidance. If you can't access Teams email me and I will forward you on these documents.

Idea development

Due March 27, 2020 11:59 PM

Instructions

You are to merge two photographers together.

- Slide 1
 - Explain why you choose these two artists
 - How will this relate to the theme of texture?
- Slide 2 - Complete a slide your plan for the shoot
- You are to complete a photo-shoot. At least 20 photographs
- Make a contact sheet
- Annotate a contact sheet
- You are to upload your work to the OneDrive every day.

Idea development

To be successful:

- Combining two artists techniques, you will explore the theme further.
- My next step is to experiment and develop my ideas based on the two photographs.
- I will explore and experiment in a similar style of the artists I have research.
