We have had a busy end to the school term, full of festive fun and joy!

The Year 5 traditional carol concert, which featured the children acting out the story of *The Street Child*, was a superb performance at the end of last week. It reminded us of the importance of determination, the search for hope and positivity in life, and the need for kindness. The children performed both the story and the singing beautifully in the atmospheric setting of St Cuthbert's Church.

Buddy assemblies took place at St Cuthbert's Church, where everyone enjoyed a Christmas story. The setting was wonderfully atmospheric, and the children's behaviour was exemplary. It is important that our children understand and value their local community, and St Cuthbert's is a key part of this, with whom we have worked closely for many years.

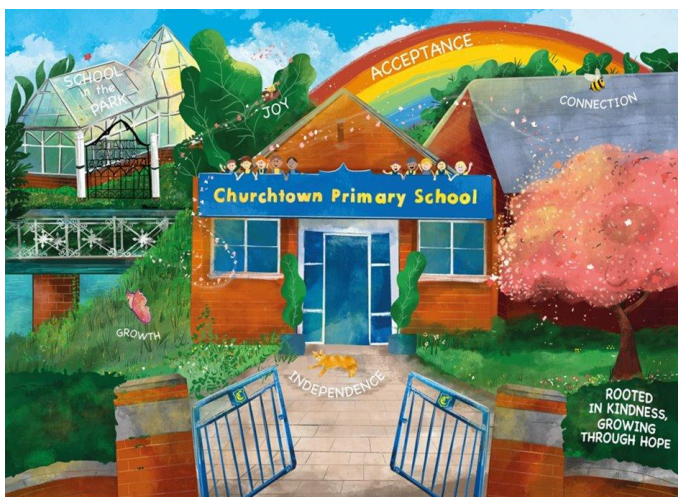

A big thank you must go to the PTA. Their efforts this term, all on a voluntary basis, have been very much appreciated. This week alone, they transformed the School Lodge into a festive grotto and dressed up as elves, alongside a special visit from Father Christmas. He read stories to most year groups, and presents were provided for all children – thank you for supporting this through paying via Arbour. The Year 5 and 6 children also thoroughly enjoyed the Christmas Movie night, which was really well attended.

We have also been delivering food and present parcels to members of our local community, with the support of Southport Foodbank and the Kind charity organisations.

Finally, I would like to wish you all a very Merry Christmas. The children will be coming home tired but excited for the time ahead. We are fully aware that the Christmas period can be challenging for families for many different reasons, and we would like to remind you that support is always available. Please do not hesitate to reach out to us if you need any help or guidance.

We look forward to welcoming everyone back in the New Year on Tuesday 5th January 2026.

Mrs Payne

Values

• Independence

Being self-directed and self-determined — having the confidence to carry out tasks independently, take responsible actions, and be accountable for our choices, all while feeling safe and supported in our environment.

• Connection

Being part of a happy, loving community where positive relationships are built through knowing, supporting, and respecting one another — where we feel valued, learn how to mend friendships, and create meaningful connections by being respectful to all.

• Growth

Growth comes from facing challenges with resilience, knowing that it's okay to find things difficult — because with purpose, determination, and something to strive for, we learn, improve, and become stronger.

• Acceptance

Embracing who we are and valuing others for who they are — celebrating diversity and creating a community where everyone feels they belong.

• Joy

Grows through purposeful, active learning and a broad, balanced curriculum full of variety — creating space for play, shared experiences, and the simple recognition that making time for fun brings energy, connection, and balance to life.

Christmas at Churchtown

Christmas magic has been everywhere at Churchtown Primary!

Our talented pupils have been busy making festive crafts in Eco Club and Reception Art Club, while our amazing PTA elves worked their magic behind the scenes. We've laughed, danced and cheered along with Taz's Christmas entertainment, enjoyed brilliant Christmas Party Days, and even had story time with Santa himself!

What a fun-filled, festive season it's been, a huge thank you to everyone who helped make this festive season so special for our school community!

Year 5 Carol Concert Programme Competition

Our Year 5 pupils have been busy getting creative by designing programmes for the Carol Concert. Each class selected a winner and the standard of entries was fantastic, well done to everyone who took part!

Year 6 Health Questionnaire

In the new term, **Year 6 pupils** will complete a short **online health and wellbeing questionnaire** in school, led by the **Sefton School Health Team**. The questionnaire helps school nurses understand children's health needs, offer support where needed, and plan health education for the school.

Responses are reviewed confidentially by school nurses, who may speak with children individually if follow-up is required. The questionnaire will be completed using school IT equipment.

Parents/carers can view the questions at: www.merseycare.nhs.uk/school-health

Opt-out: If you do not wish your child to take part, please email the School Office by 1st January.

Online Safety

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Talk with your child about responsible use of their phone

Discuss what is okay and not okay to use their phone for. Talk about time limits and expectations of where the device can and cannot be used, this could include things like the phone being charged outside their bedroom overnight.

Discuss what to do if something upsetting or worrying happens

Give them the strategies they need in case something concerning happens whilst they are using their device. This could be to lock the screen and tell an adult, to make a report to the platform they are using, or to block the user.

Explore parental controls

Take a look at the controls available both on the phone itself and on your home Wi-Fi. Talk these through with your child too. Parental controls are a helpful tool, but an open conversation with your child is the most important thing.

Natural Christmas Trees

A message from Mr. Cocks (Year 2 teacher and Forest School leader):

For those families who choose to have a real Christmas tree, we would like your help for our Forest Schools firewood.

We DON'T require the actual tree but the wooden base/stump that the tree stands on, would be really useful. Once you're finished with your tree after Christmas, please can you drop the wooden base/stump of by the bike sheds at the front of school.

Thankyou for your support and wishing you all a wonderful festive season.

Adios

Goodbye

We will miss you

After four years of outstanding service, we say a fond farewell to Mr Asensi, our wonderful Spanish lead. During his time at Churchtown, Mr Asensi has shown unwavering dedication and passion, inspiring a love of Spanish in children across the school. From engaging Spanish lessons, fantastic 'Fiestaval' performances and extremely popular after-school Spanish clubs, he leaves a lasting impression on our school community. We are incredibly grateful for everything he has given to Churchtown and would like to thank him wholeheartedly for his hard work and dedication. He is universally adored by everyone at Churchtown and he will be greatly missed by all.

Goodbye and good luck to Teaching Assistant, Danielle Rimmer, we thank her for all her hard work and support during her time at our school. Danielle has been a valued member of the team, and we wish her all the best for the future.
