WHAT NOT TO INCLUDE IN ANY BOX

Do not include any sweets, chocolate, drinks or food of any kind
(They are against Customs regulations at country borders)

Battery operated toys, conflict related items, matches, inflammable liquids, inflammable aerosols (eg: deodorants & hair spray), seeds or any other living material, automatic washing machine powders

Please securely sellotape tops of liquid containers.
Protect anything sharp and do not put anything sharp into a CHILD box

- It is important to indicate on the box lid, who the box is for.
- The contents are of good quality.
- The box should be completely filled.
- Remember that the recipient will be opening the box in eager anticipation, and especially with the toys for the children, quite possibly the first real gifts they have received for a very long time.
- Do not sellotape the lid down
