Little Buds

Located in the main building, collection is via our dedicated 'Butterflies' doors, to the right of the main school entrance.

Little Buds offers after-school care for Nursery and Reception children. Our team provides a safe and fun environment with a child-centred approach to play, encouraging the development of social skills. Children can enjoy a variety of free-choice activities, including small world play, construction, role play, dressing up, and craft activities. A comfy reading corner is also available for quiet reading or story time.

At the end of the school day, Little Buds staff collect children from their classrooms and escort them to the Little Buds room. On arrival, children are offered a fruit snack, followed later in the session by a sandwich snack (cheese, ham, or tuna) with a selection of salad and pasta, finished with a dessert. This provides a lovely social time for the children to sit and chat together.
