As part of our homework offer in Y4 and to support with our reading & writing work in school, we will now start to send home each week a spelling rule and linked words so you are aware of what is being covered as part of our work in school. This rule will be taught and practised throughout the following week in school and we wanted to send this home so, where possible, children can practise this at home. Children will have the chance to learn, practise and apply this rule in class through a range of activities and quizzes as part of our RWI spelling programme.

If you have any questions please speak with your child's class teacher in the first instance or contact Mr Miller (KS2 Assistant Headteacher).

Thank you for your support.
