## 2. PURPOSE AND SCOPE

- 2.1 At Churchtown Primary School (the “**School**”), we strive to build a strong relationship with parents to help create a stimulating learning environment that continues from school to home, providing all pupils with the opportunity to reach their full potential. For these reasons we continue to welcome and encourage parents and carers to participate fully in the life of our **School**.
- 2.2 To encourage a welcoming and safe learning environment for all pupils, **School** has rules regarding behaviour and conduct which all members of our community are expected to act in accordance with. This includes staff (through the staff code of conduct) and pupils (through the behaviour policy).
- 2.3 All members of our **School** community have the right to work without fear of violence, abuse or intimidation; therefore, physical attacks, threatening behaviour, and abusive or insulting language towards staff members, governors, visitors, pupils or other parents may result in individuals being removed from the premises.

2.4 This Code of Conduct aims to foster the relationship between the **School** and parents by setting guidelines on appropriate behaviour.

2.5 While we primarily refer to 'parents' this policy equally applies to:

- 2.5.1 anyone with parental responsibility for a pupil
- 2.5.2 anyone caring for a child (such as grandparents or child-minders)
- 2.5.3 any other visitors to the school premises

### 3. OUR EXPECTATIONS OF PARENTS

3.1 The **School** expects parents to:

- 3.1.1 act in accordance with the Code of Conduct at all times
- 3.1.2 support and reflect the school's ethos and values through their behaviour
- 3.1.3 set a good example to pupils through their behaviour and the way they interact with staff, pupils and other adults
- 3.1.4 work together with staff members in the best interests of our pupils
- 3.1.5 treat all governors, staff members, pupils, other parents and any members of the school community with dignity and respect
- 3.1.6 address their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- 3.1.7 not act in a way which seeks to deliberately circumvent the role of the school in managing behaviour of pupils
- 3.1.8 respect the **School's** property and environment; and
- 3.1.9 approach the **School** should they have any concerns that they wish to discuss. This should precede use of the complaints policy wherever possible.

3.2 Whilst it would never be the case that the **School** would sanction a pupil for the behaviour of their parent, we must make clear that when a pupil refuses to follow the **School** rules, reasonable instructions of staff or requirements of policies on the basis of a parental instruction, that pupil will be subject to the terms of the **School's** behaviour policy.

## 4. INAPPROPRIATE BEHAVIOUR

4.1 The **School** takes instances of inappropriate behaviour very seriously and will not tolerate any circumstances that may make pupils, staff members and other members of the school community feel threatened.

4.2 Parental behaviour that the school does not tolerate includes, but is not limited to, the following:

- 4.2.8 causing intentional damage to school property

- 4.2.13 drinking alcohol on school premises

## 5. BREACHING THE POLICY

5.1 If the **School** suspects, or becomes aware of a breach of this policy, the **School** will review and take appropriate action.

5.2 A breach of this policy will be managed appropriately, the action taken is dependent on the severity of the situation.

5.3 The **School** expect a conversation to be sufficient to reinforce our expectations.

5.4 Where this conversation is not sufficient to resolve the issue, the **School** will consider further action.

5.5 The action the school may take includes, but is not limited to, the following:

5.5.1 send a warning letter to the parent

6.2 The **School** will inform an individual, in writing, of the intention to bar an individual. In some cases when behaviour has, in the absolute discretion of the **School**, been so serious that an immediate ban is warranted there will be no expectation of a warning first.

6.3 If a ban is issued, a written communication will confirm the decision taken, the period of time the ban from the premises is in place and the means by which the parent can ask for the decision to be reviewed. For the avoidance of doubt, a ban will not be suspended during any period between a review being requested and being undertaken.

6.4 The parent will be allowed to make written representations about any ban than is imposed before the decision is reviewed.

6.5 A ban implemented by the **School** will be subject to a review within a timescale which the **School** deems reasonable.

## 7. REMOVING INDIVIDUALS FROM PREMISES

- 7.1 Under Section 547 of the Education Act 1996, it is a criminal offence for a person who is on school premises without legal permission to cause or permit a nuisance or disturbance.
- 7.2 Any entry onto the premises in contravention of a ban issued by the **School** under Clause 6 will be committing an offence under section 547 of the Education Act 1996.

- 8.5 The **School** may pursue legal remedies under the Protection from Harassment Act 1997 where an individual's behaviour amounts to a course of conduct which causes another alarm or distress.

## 9. USE OF SOCIAL MEDIA

- 9.1 The **School** does not tolerate the use of social media, whether public or private, to fuel campaigns and to voice complaints against the **School**, members of staff, other parents or pupils. Those with legitimate complaints can utilise the **School** complaints policy.
