Dear Parent or Guardian

Re: School Report 2025

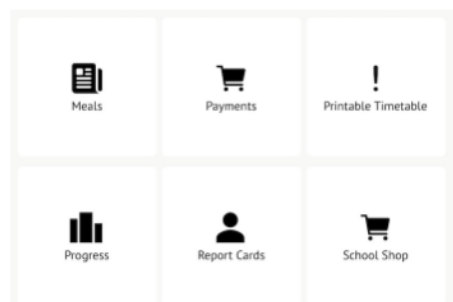

We are writing to inform you that your child(ren)'s school report will be available to view on the Arbor 'Parent App' from next Tuesday afternoon (15th July). As we continue to utilise Arbor as our primary communication platform, we have made the decision to send all reports out electronically.

For a guide on how to access the report, please visit the link below and see the images below:
[Accessing reports via Arbor](#) (please select the 'on the parent app' section for relevant instructions)

On the Parent Portal

On the Parent App

Find all your child's report cards by clicking the menu icon at the bottom left of your screen. Then select **Report Cards**.

You can also click the Download Student Reports button from your child's profile.

This year's report has been compiled in line with ongoing teacher assessments carried out for reading, writing, maths and science. As a school, we have focused on keeping the reports personal, focusing on the achievements of your child. Teachers have provided an insight into your child's strengths and areas to develop next year for the core subjects of English and maths & provided end of year information for the foundation subjects.

For children in **Year 6**, the results from statutory assessments will also be available to view via the Arbor 'Parent App', along with an explanation of these results. For children in **Year 1** and some **Year 2 pupils**, phonics check results will be available to view via the 'Parent App'. Results of the 'multiplication tables check' for **Year 4** children will also be available via the app.

For children in **Reception**, this report will focus upon the areas of learning assessed in Early Years and if your child has achieved a good level of development.
