

Friday 26<sup>th</sup> January 2024

Dear Parents/ Carers,

As part of our homework offer each week in Year 2, we would like children to practise their 2s, 5s and 10s timetables. To support with this, we are providing you with login details for a free app called TTRockStars (<https://play.ttrockstars.com>). This online resource provides children with the opportunity to recall their times tables through a range of interactive games. (Please see the next page for more information.) We will practice modes in school and allow the children chance to explore the platform during school time.

We have assigned your child to the timestables we feel like they need, given their current confidence levels, and once they pass their 'passport' tests we will then add additional timestables to their account.

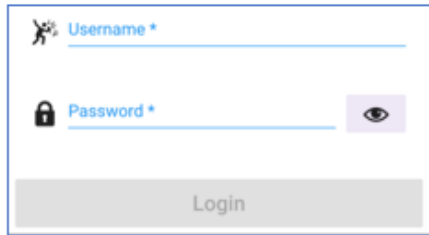

Please find your child's logins in the front of their reading records.

Kind regards

Your Year 2 Team

You can do this via <https://play.ttrockstars.com> or download the app. Your child's login details will be found in the front of their reading records.

### Logging in to Times Tables Rock Stars

- 1 Type [play.ttrockstars.com](https://play.ttrockstars.com) into your browser's address bar.
- 2 Click Login! > School > Student
- 3 Enter the School Name.  

- 4 Enter your child's username and password.  

We advise that the children use the 'single player' 'Garage' mode to aid their learning.

#### Single Player 🎮

**Garage** - the questions will only come from the times tables the teacher has set for the week. It will include multiplication *and* division questions.

As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

**Studio** - the questions in the Studio can be anything from 1×1 up to 12×12.

TT Rock Stars calculates the mean response time from their last 10 games in the Studio and translates that time into a Rock Status.
