27th February 2024

Dear Parents/Guardians,

Re: Year 5 Greek Food Tasting Day

I am writing to inform you about an exciting upcoming event that will further enhance your child's learning experience at school.

As part of our Geography and History curriculum, Year 5 will be immersing themselves in the rich culture and cuisine of Greece. To bring their studies to life, we are organising a Greek Food Tasting Day in the week beginning 4th March 2024.

During this event, the children will have the opportunity to taste a variety of traditional Greek foods including Feta cheese, olives, tzatziki and pitta bread, hummus and breadsticks, as well as Greek yogurt & honey. This hands-on experience will not only broaden their culinary horizons but also deepen their understanding of Greek culture and traditions.

To make the tasting session even more engaging, we will be using a Masterchef scoring card, allowing the children to rate their favourites and express their opinions about each dish. This will encourage them to think critically about the flavours and textures they encounter.

However, we understand that some children may have allergies or dietary restrictions. If your child has any allergies to the foods listed above, please do not hesitate to contact the school so that we can make suitable arrangements on office@churchtown.org.uk.

We are incredibly excited about this activity and believe it will be a valuable learning experience for all our students. If you have any questions or concerns regarding the Greek Food Tasting Day, please feel free to get in touch.

Thank you for your continued support.

Warm regards,
Mr. Bowen (Year 5 Team Leader)
