Dear Parents and Carers,

This week has been filled with proud moments, and we'd like to start by saying a huge well done to all the children who have taken part in the Phonics Screening Check and the Multiplication Tables Check.

We treat these as fun quizzes in school, simply special work for Mrs Payne, and the children have responded brilliantly. They've shown focus, determination, and a real sense of pride in their learning. Children have been supported in small groups or with one-to-one time with their teachers, helping them to feel calm, confident, and ready to shine.

A big thank you to all of you at home, too. Your ongoing support with reading and times tables practice is so valuable. Although these checks are something the government requires, we know that reading fluently and knowing times tables are essential life skills – and practising these at home only helps to strengthen your child's learning journey.

It was also a pleasure to watch the Wally Cain Dance Festival at The Atkinson this week. More information can be found later in the newsletter, but we'd like to say a special thank you to Mrs Wynne and Ms Hart for their incredible efforts with the children. The dance was simply stunning on a real stage, and a proud moment for everyone involved.

We are, as always, proud of all our children and everything they have achieved this week.

Have a lovely and restful weekend!

## P.T.A. Summer Fair Cancelled

Further to yesterday's communication via Arbor, we have unfortunately taken the decision to cancel the P.T.A. Summer Fair that was due to take place on **Thursday 3<sup>rd</sup> July**, after school.

Despite this, we want to celebrate the fantastic fundraising efforts that everyone has contributed to this year, which has meant we have raised well over our targeted amount to build and complete both the new playground and the library.

In light of this, taking a break from the fair this year feels right and we are excited to bring it back next year with a new focus on involving the children in designing and running stalls as part of an enterprise project.

We had previously asked for donations to be brought in tomorrow, please note that these will **no longer** be necessary.

**Thank you so much for your ongoing support.**

## Wally Cain Dance Festival – A Modern Cinderella!

Eight of our talented Year 5 pupils proudly represented the school at the prestigious Wally Cain Contemporary Dance Festival. After weeks of dedication and rehearsals, they finally took to the stage to perform their stunning piece, *A Modern Cinderella*.

The children poured their hearts into every movement, delivering the performance of a lifetime. Their energy, expression, and teamwork shone through, captivating the audience and truly lighting up the stage – they were stars in every sense of the word!

A huge congratulations goes to all the children involved.

We are so proud of your hard work, creativity and courage. A big thank you as well to the families who supported us throughout the preparations and came along on the night to cheer them on – your encouragement means so much.

# New Charges for September 2025

When children return in September, charges will increase for Wraparound Care, Snowdrops Nursery & School Lunches:

## **School Lunch: £2.80**

At Endeavour Eats, our aim is to provide high-quality, nutritious school meals at an affordable price, supporting the health and wellbeing of every child. As an in-house catering service, we are proud to have full control over the quality of our food, the sourcing of our ingredients, and the overall dining experience for pupils.

We are committed to meeting the School Food Standards, ensuring that every meal served is balanced, freshly prepared, and enjoyable. Our menus are thoughtfully developed to encourage healthy eating habits and support learning, using quality ingredients that pupils can look forward to each day.

This new price remains competitive with both local authority catering services and commercial catering providers and allows us to continue delivering meals that are both high quality and affordable.

The cost of providing our in-house provisions has increased due to rising food prices, staffing costs and energy prices. To maintain the quality of our meals while continuing to operate sustainably, we will be adjusting the price of a school meal to £2.80 from 1st September 2025 and our wraparound and nursery charges will also be adjusted.

**Butterflies After School Club: £12.00 per session**

**Little Buds After School Club: £12.00 per session**

**Butterflies Breakfast Club: £4.50 per session**

**Butterflies Holiday Club: £30.00 per day**

**Snowdrops Nursery: Morning Session - £34.00**

**Afternoon Session - £32.00**

**Full Day - £60.00**

We appreciate your ongoing support and look forward to providing your children with delicious and nutritious meals every day.

If there is an outstanding balance on Parent Pay for **ANY** payment item allocated to your account, this must be paid as soon as possible due to a change in payment provider from September as we begin to move to ARBOR for all charges.

## Community Engagement Survey

Dear Parents & Carers, Endeavour Learning Trust is, once again, conducting its annual Community Engagement Survey. The purpose of the survey is to get feedback from parents and carers on the aspects of our work that are going well, and any opportunities we have to improve further. All parents & carers responding to the survey will have the opportunity to provide an email address to be entered into a draw for a £100 Amazon voucher. Alternatively, you can choose to answer the survey anonymously if you prefer.

Please take the time to complete the survey (which should take a maximum of 5 minutes). We are keen to get as many responses as possible so that we gain the broadest possible range of views. The feedback that we received last year was invaluable. **The survey will close at 4.00pm on Tuesday 8<sup>th</sup> July 2025.**

Thank you in advance for your support. Please click on the link below to access the survey:
