

Member Churches of Churches Together in England

This is a definitive list of the (national) member churches of Churches Together in England. It is useful for many reasons, from public information to mutual accountability. It is also used in relation to school admissions (which we do not encourage) and to appointing chaplains etc, where a criteria is belonging to a 'member church of Churches Together in England'.

Member churches of Churches Together in England (CTE) are denominations in England at a national level. There are agreed parameters for belonging, and a recognised process for requesting membership. All ecumenical instruments such as CTE are autonomous although networked. Belonging to a Churches Together group or County Body does not automatically give a congregation membership of CTE. Visit schools admissions for a longer explanation.
