

## Forward

This retention schedule contains recommended retention periods for the different record series created and maintained by the Trust in the course of its business. The schedule refers to all information regardless of the media in which it is stored.

Some of the retention periods are governed by statute. Others are guidelines following best practice. Every effort has been made to ensure that these retention periods are compliant with the requirements of the Data Protection Act 1998 and the Freedom of Information Act 2000.

Managing record series using these retention guidelines will be deemed to be “normal processing” under the legislation mentioned above. If record series are to be kept for longer or shorter periods than laid out in this document the reasons for this need to be documented.

This schedule should be reviewed on a regular basis.

## Using the Retention Schedule

The Retention Schedule is divided into five sections:

1. Management of the Trust and Academies
2. Human Resources
3. Financial Management of the Trust
4. Property Management
5. Pupil Management
6. Curriculum Management
7. Extra-Curricular Activities
8. Central Government and Local Authority

There are sub headings under each section to help guide you to the retention period you are looking for. Each entry has a unique reference number. If you are sending a query to the DPO about an individual retention period, please ensure that you have quoted the unique reference number.
