4. Create a 3D Wolf model!

Year 6 Summer Term Enrichment Activities

Global Learning

1. Discuss how the UK is governed—what major changes have taken place over the last 5 years? How is our government run?

Writing

1. Write your own persuasive letter to your teacher regarding implementation of a new rule for the day.
2. Write a balanced argument for schools staying open during Covid. Ensure you write an introduction, key points, counter argument and conclusion.
3. Produce an acrostic poem about your time here at Civitas.

The Arts

1. Design a three-course menu suited to the tastes in your household.
2. Make a sweet dish as a taste treat for everyone in your family.
3. Design and create a hat suitable for your summer holiday.

Humanities

1. Research the main regions in the UK and their characteristics.
2. Investigate other countries, like Denmark, in Scandinavia.
3. Research and produce a leaflet about the Vikings. Were Vikings just simply Barbaric warriors or were they misunderstood?

Maths

1. TTRS.
2. Solve algebraic formulas.

Spanish

1. Download Duolingo with your parents permission and practice some simple Spanish phrases about your time at Civitas.
