

Civitas Academy Bulletin

13/11/17

Dear Parents and Carers,

Thank you for your continued support and patience with many of the changes that have taken place this year. I have also appreciated the feedback given from so many of you during the October Parent's Evenings.

Communication:

Over the next few weeks we will be moving over to a new website company ready to launch in the first week of December, hooray I hear you say!

From today we will be emailing out weekly bulletins and will continue to share information through our Twitter and Facebook pages.

A half-termly curriculum newsletter will also come out sharing the learning that has been taking place in our different year groups.

Start of the day:

School gates open at 8.40am, the children need to be in line ready to go into their classrooms at 8.50am.

Sickness:

As a school we follow NHS guidelines for vomiting and diarrhoea

Vomiting and diarrhoea. **Children with diarrhoea and/or vomiting should definitely be kept off school until at least 48 hours after their symptoms have gone. Most cases of diarrhoea and vomiting in children get better without treatment, but if symptoms persist, consult your GP.**

Trips Update:

Towards the end of term we will be informing you of trips that will be taking place in the Spring and Summer term. This term children have been settling in with our new teams and have had experiences of visitors coming into the school.

Star of the Week

Elmer – Dhikshitha – always following instructions with care and kindness
Paddington – Soraya – being a fantastic helper
Gruffalo – Ellie – For working on her targets
Pinocchio – Jessica – being a great role model
Matilda – Mahati – managing distractions and always trying her best
BFG – Omer – great presentation and taking pride in his work

Assembly:

Today in assembly we introduced anti bullying week alongside how we would be supporting children in need this year. Please talk to your children about this. We have attached a couple of links too. Our house captains have also been working with the classes on developing a playground charter on how we look after each other in the playground.
