So gracious. See, they flower.

One now, one later.

Here's another...

Winter is coming.

Snow will be arriving soon.

We should rake the leaves.

What Did You Notice About the Poems?

Think about:

• the poem's theme;

• how many lines are in each poem?

• how many syllables in each line?

Natural theme.

Three lines in each poem.

5 syllables in first line,
7 syllables in middle line,
5 syllables in final line.

How Can We Write a Haiku?

First, we need to choose a theme. It doesn't have to be about seasons or nature, but let's be traditional.

Summer

Then, we brainstorm some words or phrases associated with that theme...

hot	sunshine	flowers	holiday
beach	ice-cream	games	sea
swimming	fun	warm	sand

Next, we choose two or three ideas which will flow together.

Now we have our ideas, let's try to fit them into the 5-7-5 syllable format.

You might have to alter words or phrases slightly fit the pattern.

hot	sunshine	flowers	holiday
beach	ice-cream	games	sea
swimming	fun	warm	sand

Each poem has only 3 lines.

The syllable pattern of the poem should be 5-7-5.

Haiku are often written about seasons and nature.
