What is suspense?

Suspense is writing in fiction that excites us or makes us feel uncertain about what is going to happen next in the story!

This is a WAGOLL of suspense:

The opponent was trembling with fear as Bjorn slowly slumped over the hill. They knew this was a battle to end all battles. The dark, gloomy twilight sky was slightly alight with fire red embers as the sun slowly set. Bjorn approached, as if he knew these were the last steps he was ever going to walk. The opponent clenched his sword.

“Are you sure you wish to fight me Bjorn?” stuttered the opponent. Bjorn gave a blood chilling grin, his eyes blood shot and cold. Bjorn raised his sword and charged towards his opponent. What happened next would end the suffering of Bjorn forever.
