What is a SAGA?

# What is a SAGA?

Sagas were stories told and retold down the ages by Norse peoples. Most of them are from Iceland, written down about events that were supposed to have occurred in Norway hundreds of years before.

They had to be very interesting with acts of bravery.

We will be writing our own Saga of Biorn. We are going to make it our own.

Firstly, we are going to plan our own Saga. Here is an example of mine:

*Introduce Character - My new Character is going to be Isla: The most noble Shieldmaiden in all the land.*

*Introduce Valhalla - The paradise my warrior wants to go to live with Odin forever.*

*Introduce Mission- To find a worth opponent to fight and die to get into Valhalla.*

*Begin mission - Isla will start to look for a worthy opponent. She will travel from Village to village fight the bravest of warriors.*

*Continue mission- As Isla travels she find many warrior but none of them are a match for Isla.*

*Fail mission - Isla is old and close to death, she is terrified she may not find her worthy opponent to send her to Valhalla.*

*Complete mission - Finally a young girl called Heltrix takes pity on Isla and challenges her to a fight. Isla decides to fight Heltrix and Heltrix wounds Isla very bad.*

*SUSPENSE- Isla is dying from the battle but she is happy because she finally gets her wish and goes to Valhalla.*
