

RE

1. Judaism and Passover
2. Can you create a storyboard of the events of Passover?
3. Write a fact file of how Passover is celebrated in the Jewish religion.

Science

1. Living Things and their Habitats
2. Pick two different animal habitats and create a side by side comparison of the two. This could be a list of facts or even a drawing of them.
3. What makes them different and why?

PSHE

1. Dreams and Goals
2. Create a letter to yourself that you can open in three years time. What dreams and goals do you hope to achieve?

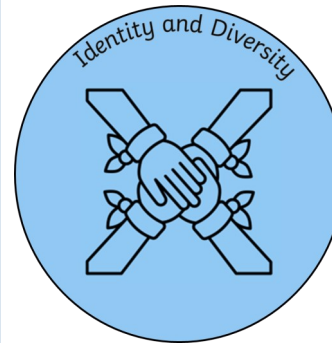

Maths

1. Multiplication and Division
2. Keep practicing your multiplication facts on TTRS or in any other ways that help you.
3. Length and Perimeter
4. Can you measure some of the different things in your home?
5. Can you measure the perimeter of a room in your home?

Year 4 Spring Term Enrichment Activities

Global Learning

1. Create a portrait of yourself and decorate with all the different things that make you unique!

Writing

1. Playscript
2. Create a story with two main characters and then write a playscript for a conversation between them.
3. Remember to include a colon after the character name and brackets to show any character actions.
4. Can you act your script out with a friend and record it?

The Arts

1. Quilting
2. Draw some different patterns of some of the fabrics that you notice at home.

Humanities

1. Earthquakes and Tsunamis
2. Research different parts of the world that experience Earthquakes and Tsunamis.
3. What type of things do those countries do to try to reduce the impact of these natural disasters?

Reading

1. Practice your prosody by reading parts of a book aloud!

Spanish

1. My Home—Can you find the Spanish for different things at home?
