Amount of PPG allocated per pupil	£335 per Service pupil Total Grant 2023-24: £60970

Nature of support 2023/2024
<p><i>Additional support from teaching assistants in the classroom</i></p> <p><i>Small-group and 1:1 tuition from both teachers and TA's</i></p> <p><i>Support for development of emotional and social skills eg ELSA, Time to Talk counselling, Art therapy, social skills groups</i></p> <p><i>Transition Mentor to support families as they join and leave the school</i></p> <p><i>Opportunities to participate in workshops, performances, creative and sporting events and activities</i></p>

Curriculum focus of Service PPG spending 2023/2024

*1 full time Pastoral Support Lead and 1 full time Emotional Literacy Support Assistant [ELSA] used to provide small group and 1:1 support for children identified as requiring additional support with social and emotional development.
Time to Talk Counsellor [3.5 hours per week] to provide 1:1 counselling
Additional TA hours to provide targeted support through intervention programmes for identified children to accelerate progress and 'narrow gaps' in learning
Additional TA hours to provide additional support 1:1 and in small groups for social skills development for identified children
Visits into school from external providers to deliver enrichment opportunities eg Scientist, Author, Artist etc
Transition Mentor*

Please note we also have a full time Service Pupil Champion who is funded separately for the academic year 23 24 through a successful bid to the MOD Education Support fund

Measuring the effect of PPG spending

Data analysis and monitoring activities will be undertaken throughout the year to measure the effect of our spending on our children in receipt of Service PPG. We will also monitor the impact of our spending on our children's emotional wellbeing.
