

**Year 2**

**PE**  
We take part in PE twice a week and they will be indoor sessions. This term your child will need trainers/PE shoes, shorts and t-shirt.

As the weather is getting warmer, please can you provide your child with: a clearly named water bottle, a waterproof coat (in case of showers) and hat/scarf if needed—thank you!

If the weather does begin to warm up, please ensure your child has sun-cream, a clearly named water bottle and a clearly name sunhat—thank you!

We hope you find this booklet useful. We are always happy to meet with you and discuss your child's progress over the year. Please feel free to come and speak to your child's teacher or schedule an appointment if you have any concerns.

*Many thanks,*  
The Year 2 Team

Sparrow Class—Miss Hayday  
Starlings Class—Mrs Drury  
Robins Class—Mrs Kinnell

# CLARENDON INFANT SCHOOL

## CURRICULUM INFORMATION FOR PARENTS

### Year 2 Summer Term 1 2026

## English

In English, we will begin exploring the story 'Jack and the Baked Beanstalk' by Colin Stimpson. We will look at the story and practise retelling it in our own words using different resources. Then, we will think about the characters in the story and what we could change it into. Also, we will look at key sentence structure and make sure we use this in our own work. We will then aim to write our own version of the story using our own ideas. We will also use these stories to learn and apply new grammar focuses to extend our writing.

We will continue our daily Whole Class Reading sessions and our focus will be on understanding the text.

In our spelling sessions, we will explore how different spelling rules link to our previous Phonics learning.

## SCIENCE

We will be exploring Plants and focussing on how they grow. Over the term, we will be asking questions about minibeasts and using scientific enquiry methods to find answers.

## COMPUTING

In Computing, we will be exploring different types of programming technology. We will use this to programme our own quizzes and identify how we can make our programmes more efficient.

## MUSIC

In Music, we will look at different music and how it makes us feel. We will also be learning how to sign different songs using Makaton.

## MATHEMATICS

In Mathematics, we will begin by exploring Fractions and exploring different types of fractions. We will explore this practically, in pictures and in an abstract form. Once we have explored this, we will move on to telling the time on a digital and analogue clock to the minute. Then, we will move on to explore Statistics and finally look at position and direction.

# Summer Term 1 2026 Year 2

## ENRICHMENT ACTIVITIES

This term, we will be visiting Lanford Lakes to explore plants and minibeasts to enrich our Science learning for this term.

## P.E.

This term, we have two PE lessons. We will be covering Athletic skills and applying these. We will explore different athletic areas and the skills needed to be successful in each.

## HISTORY

In History, we will be looking at the reigns of three queens—Queen Elizabeth I, Queen Victoria and Queen Elizabeth II. We will compare similarities and differences between their reigns.

## RE

This term, we will look at Christianity. We will be focussing on the question 'Why do Christians trust and follow Jesus?'

## Art

This term, the children will be looking at the theme 'Explore and Draw'. We will introduce the idea that artists can be collectors and explorers as they develop their skills. We will then use their techniques to create our own artworks.

## PSHE

This term's theme is 'Money Matters'. We will learn about living in the wider world and different things linked to this.
