Geography Long Term Plan 2024/5

Infants	Autumn Term	Spring Term	Summer Term
EYFS	Mapping – familiar places	Different places (Spain & Nepal)	Habitats around the world
Year 1	Our school	Our Local Area/Wonderful weather	Our country
Year 2	What a wonderful world	Magical mapping	Sensational Safari
Juniors	Autumn Term	Spring Term	Summer Term
Year 3	Geographical Skills & Fieldwork Map Skills UK focus Name and locate countries, counties and cities of the United Kingdom inc. 9 geographical regions. Use a globe to show where the UK is in comparison to the rest of the world. OS maps and symbols 4-figure grid reference Draw a sketch map of Tidworth town. Use OS symbols on sketch map. Human and Physical features.	Human & Physical Geography Case study - Coastal features Coastal Erosion Physical features Coastal defence Britain's beaches Describing coastal areas Changes in Land Use	Locational & Place Knowledge India – Place study Climate zones – What is the Indian climate like? Mountains Rivers – The Ganges, Narmada, Indus Land use patterns in India Trade - Tea
Year 4	Geographical Skills & Fieldwork Map work Name and locate countries within Europe using maps. Name and locate capital cities in Europe. Compare Climate between UK and another European city. Compare human features between London and Barcelona. Compare physical features between London and Barcelona.	Human & Physical Geography Rivers Identify Rivers using an atlas Identify features: E.g. Source, meander, tributary, mouth, mountains, springs. Three stages of a river River Thames – Key features The Nile – How is it used now compared to the past. Vegetation belt. Water use.	Locational & Place Knowledge Europe - Germany – Place study Case study – Berlin vs London Human and physical features. Land use and settlements Digital mapping

Year 5	Geographical Skills & Fieldwork Map skills Continents of the world. Longitude, Latitude, The equator, The tropics of cancer and Capricorn. Northern and southern hemispheres. Prime/Greenwich Meridian and Time zones.	Human & Physical Geography Mountains, Earthquakes and volcanoes. – Turkey * Syria E.g. Understanding the earths structure Understanding tectonic plates Structure of volcanoes and types e.g. dormant/active Effects of volcanic eruptions/Why do people live near volcanoes Understand causes of earthquakes Locate the world's biggest earthquakes using longitude and latitude	Locational & Place Knowledge North and South America – Mexico Vs Argentina – Comparison study Cities Compare Mexico City and Buenos Aires Human physical features. Environmental regions Climate Changes over time Economic activity Trade links
Year 6	Geographical Skills & Fieldwork Map Skills OS Map work – 6 figure grid reference Contour lines Use photos, standard and non-standard measurement to create a map of an area. Plan a route Thematic maps Understand geographical similarities and differences through the study of human and physical geography of a region – now and then – photos and maps.	Human & Physical Geography Physical Geography Main geographic features of the earth How climates affect - Antarctica and Arctic How physical features affect the people and animals who live there (rivers, mountain, biomes, vegetation belts) Water cycle Distribution of natural resources. Including energy, food, minerals and water.	Locational & Place Knowledge UK vs Brazil – Comparison place study Rainforests Distribution of Natural resources – Food (river to transport it), energy (Damming the amazon?) Types of settlement Land use Climate change/Global warming Use subject specific vocabulary. Global warming.
