

Reception Summer 2 Homework Grid

Please ensure your child reads every day and record it in their reading record.

In addition, please choose 3 tasks from the grid below to complete.

We would love to see the children's work as they complete it and celebrate it in school on Wow Thursdays!
If you have any questions, please do not hesitate to contact your child's class teacher.

Create a board game

Create your own board game and bring it into school to play with your friends. Remember to teach them how to play the rules!

Photos

Look at photos of the past in your family and discuss how you have changed

Create a puppet

You could make your own puppet to bring to school to perform with on our new stage

Fine motor skills

You can practice your fine motor skills by using playdough to create minibeasts

Capacity

You could create your own potion and discuss if it is full, empty, half full, nearly empty etc.

Talk about what you can see
You could go for a walk or a bike ride and discuss what you saw on your journey

Shape hunt

Go on a shape hunt and discuss if they are 3d shapes or 2d shapes

Old & new

Go around your house and look at some objects that are old and new and discuss how you know they are old/new
