

Year 2 Spring 1 Homework Grid

This half term our topic is The Moon Landings. We are linking as much of our work as we can to the Apollo 11 Moon Landing.

Please ensure your child reads every day and record it in their reading record.
In addition, please choose 3 tasks from the grid below to complete. These can be done on a fortnightly basis.
We would love to see the children's work as they complete it and celebrate it in school!
If you have any questions, please do not hesitate to contact your child's class teacher.

<p>Write a diary entry as if you were on the Apollo 11 mission and landed on the moon.</p> 	<p>Design a spacesuit with important features and explain why you need them.</p> 	<p>Bake some space-themed cookies (star, rocket or planet shapes) and write down the recipe.</p> 	<p>Design a menu for an astronaut to eat while they are in space.</p> 
<p>Go to the library and borrow a book about space – it could be a story set in space or an information book.</p> 	<p>Research facts about the moon landing – who was involved, how long did it take to get there, how did they return, etc.</p> 	<p>Create a space painting. You could paint an astronaut, a rocket or the planets in the solar system.</p> 	<p>Make a 3D model of a space craft.</p>  <p>You could use cardboard, Lego or even make it from clay!</p>
