

Year 2 Spring 2 Homework Grid

Please ensure your child reads every day and record it in their reading record.
In addition, please choose 3 tasks from the grid below to complete. These can be done on a fortnightly basis.
We would love to see the children's work as they complete it and celebrate it in school!
If you have any questions, please do not hesitate to contact your child's class teacher.

Use different objects and practise sharing (dividing) them into equal groups. For example: pasta, Lego, pencils or anything else you can find

Write a poem about Spring. Use adjectives and similes to describe. Decide what type of poem you want to write

Create a bug home or habitat for small animals or insects

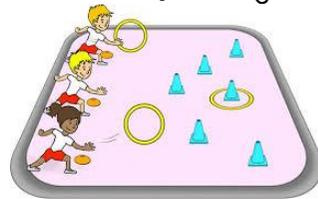

Create a Spring themed picture

Draw a map of your local area and use a key

Create your own PE game that you can teach the class to play. Think about what equipment you will need and the rules of the game

Make your own flying machine from recycled materials

Practise your digital photography skills and take some Spring-themed photographs
