Year 5 Autumn 2 Homework Grid

Please ensure your child reads every day and record it in their reading record.
In addition, please choose **3 tasks** from the grid below to complete. These can be done on a fortnightly basis.
We would love to see the children's work as they complete it and celebrate it in school!
If you have any questions, please do not hesitate to contact your child's class teacher.

Find 5 objects around your home, identify the materials they are made from and describe their properties. 	Create a colourful 3D model of the solar system using materials of your choice, labelling the planets, stars and other space objects in **French**. 	Create a colourful poster showing how the world in *Varmints* changes from a peaceful, natural environment to a dark, polluted city 	Create a colourful poster showing the first 12 square numbers, using drawings of square arrays and multiplication facts to explain how each square number is made. 
Write a diary entry about our Viking school trip to Ufton Court, describing the activities you took part in, what you learnt about Viking life and your favourite part of the day. 	Write about a sport or physical activity you have taken part in, explaining what you did, the skills you used, what you enjoyed and how you could improve next time. 	Create a colourful poster about a celebration you have taken part in, explaining what it celebrates, how you celebrated it, why it is important to you and how it influences your life. 	Build a 3D model to demonstrate cubed numbers using LEGO, building blocks, playdough or recycled materials, and label each model with its multiplication fact (e.g. 3 × 3 × 3 = 27).
