

Back to school in September

To stop people from spreading germs and getting sick, my school was closed.

I had to stay at home and stay safe.

The government, who are in charge, say that it is safe for me to go back to school in September.

When I go back, some things will be the same and some things will be different.

I will be in a new class and I will have a new teacher.
My new teacher has written me a letter, so I know who
my teacher will be.

I will sit in a different place. This is OK because my
teachers will show me where to sit.

I might have different lunch times and play times. This
is OK because the classroom visual timetable will tell
me when we are doing things.

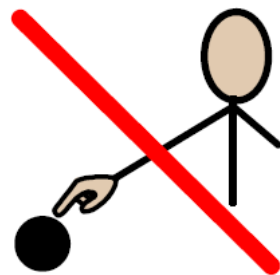

I will play with friends in my class when I am inside.
This is called my inside bubble. When I am outside I
can play with friends in my Year group bubble. This is
called my Wing bubble. I will not play with people who
are in a different inside or outside bubble when I am at
school.

I will wash my hands a lot to wash any germs away.

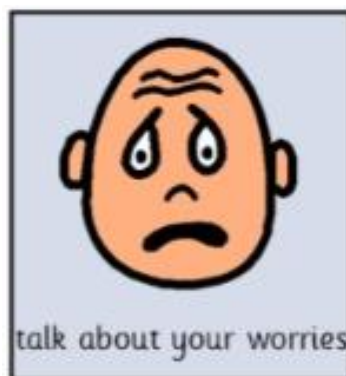

I will try not to touch other people or other people's things.

Do not touch

If I am worried, I will talk to my teachers.

I will have lots of fun at school.
