

If I make the right choices...

Adults will smile and say well done.

I will put a marble in the jar.

I will get a sticker.

I will feel proud.

I will share my good choices with a different adult.

I will get a special certificate in golden assembly.

It will make people feel happy.

If I make a wrong choice...

Adults will show
me a sad face.

Adults will talk
to me about
my choices.

I will take some
time to calm down
and think.

I will feel sad.

I will say sorry
to the people who are
feeling sad because
of my wrong choice.

The headteacher
may talk to me
and phone my
parents.

It will make people feel sad.
