

CLEWER GREEN 2021 FAMILY CALENDAR

Enter our 2021 Calendar Competition

Something new

This year we will be producing the Clewer Green Family Calendar for the very first time, But we need your children's help as we need some amazing pictures to fill each month of our calendar !

How can you enter?

After the challenges of 2020, we want to celebrate the amazing things in this world. So the theme for our calendar will be '**Our Beautiful World**'.

Every child can enter and this is their opportunity to be as creative as they like. They can produce a drawing, painting or even image by photography, capturing what a beautiful world means to them. It could be family, friends, their pets or animals, or amazing places they like going. It is entirely up to them. All drawings/paintings should be A4 landscape and should have your child's name, age and class on the reverse. Photography would need to be high resolution for printing purposes and sent to e.fehervari@gmail.com.

How will the winners be chosen?

Winners for each class will be chosen by Mr Tinsley.

Each class will have a WINNER and a RUNNER-UP. If you are one of the ten lucky winners your artwork will have pride of place in our calendar. If you are a runner up, your artwork will appear as a montage in the final two remaining months.

The deadline

All entries for the competition should be submitted by **Friday November 6th**. There will be a plastic boxes by both gates for entries to be put in after half term, which will be left for 72 hours due to COVID. The winning entries will be chosen the following week.

Have fun being creative this half term !

By entering, you are confirming that you agree and provide consent for our child's artwork, name, age and class to be used in our calendar.

Calendars will be available to purchase in December, just in time for Christmas !
